GOP Annual Installation

The Antioch Township Republican Club, meeting at Lorenz' Smart Country House, held their 14th Annual Spring Dinner Dance on Saturday, March 18th.

Featured on the nights' agenda was the installation, en masse by Bill Brook, of officers to run the business of the club for the coming year.

Included in the hierarchy are Elroy Anderson, President; Ray Schreiber and Harry Stern, Vice presidents; Bruce McKoy, secretary; and Elmer Eberman, treasurer.

Eberman has served the group as treasurer for the last ten years.

In the Ladies Auxiliary it is: Suzanne Horton, president; Louise Murrie and Lillian Olson, vice

presidents; Hilda Stern, secretary; and Lillian Golonka, treasurer.

The mens group, all incumbents, had previously been elected to their posts at the S.T.R.C.'s February 16th meeting.

In addition to the township officials, nearly a full contingent of Republican hopefuls in the March 21st primary put in an appearance and rubbed elbows with the party faithful. Included in their numbers were William Rentschler, Don Deuster, Bruce Hansen, Betty Reed and William Murphy.

State Senator Karl Berning of Deerfield, up for reelection, was the night's guest speaker and succeeded in keeping it light while exhorting his cohorts to the subtle need to win one for the "Gipper"

Newly installed Republican Club Officials pose for group photo after Saturday's Dinner-Dance. The ladies are Hilda Stern; Suzanne Horton, Auxiliary President; Louise Murrie; Lillian Golonka and Lillian Olson. The men are: Elroy Anderson, President Bruce McKoy; Frank Benes; Ray Schreiber; Harry Stern and Elmer Eberman. (Staff Photo)

H.S. Referendum Count Down

This is the final week before Antioch Community High School's tax rate referendum. The past several weeks have seen a great deal of activity on the part of the countless number of people who have worked long and hard for the referendum's approval. The workers have been encouraged by those voters who have taken the time to get informed about the seriousness of our financial situation.

Also, encouraging is the involvement of the students. Upon learning of program curtailments and their effect, the students have taken the initiative in helping to spread the word of the need for this tax increase. They have taken tax information and questionnaires about our programs home to discuss with their parents.

The majority of the respondents to the program questionnaire indicated they are generally in favor of the programs now being provided at Antioch community High School, as long as we continue doing our utmost to control costs.

The concerned voters of the district have also been doing their part to learn the facts by inviting informed speakers to appear at various civic meetings, PTA

meetings, Coffee Klatches and radio programs. There have also been numerous articles and advertisements appearing in the local newspapers in an all-out effort to present the facts as they exist.

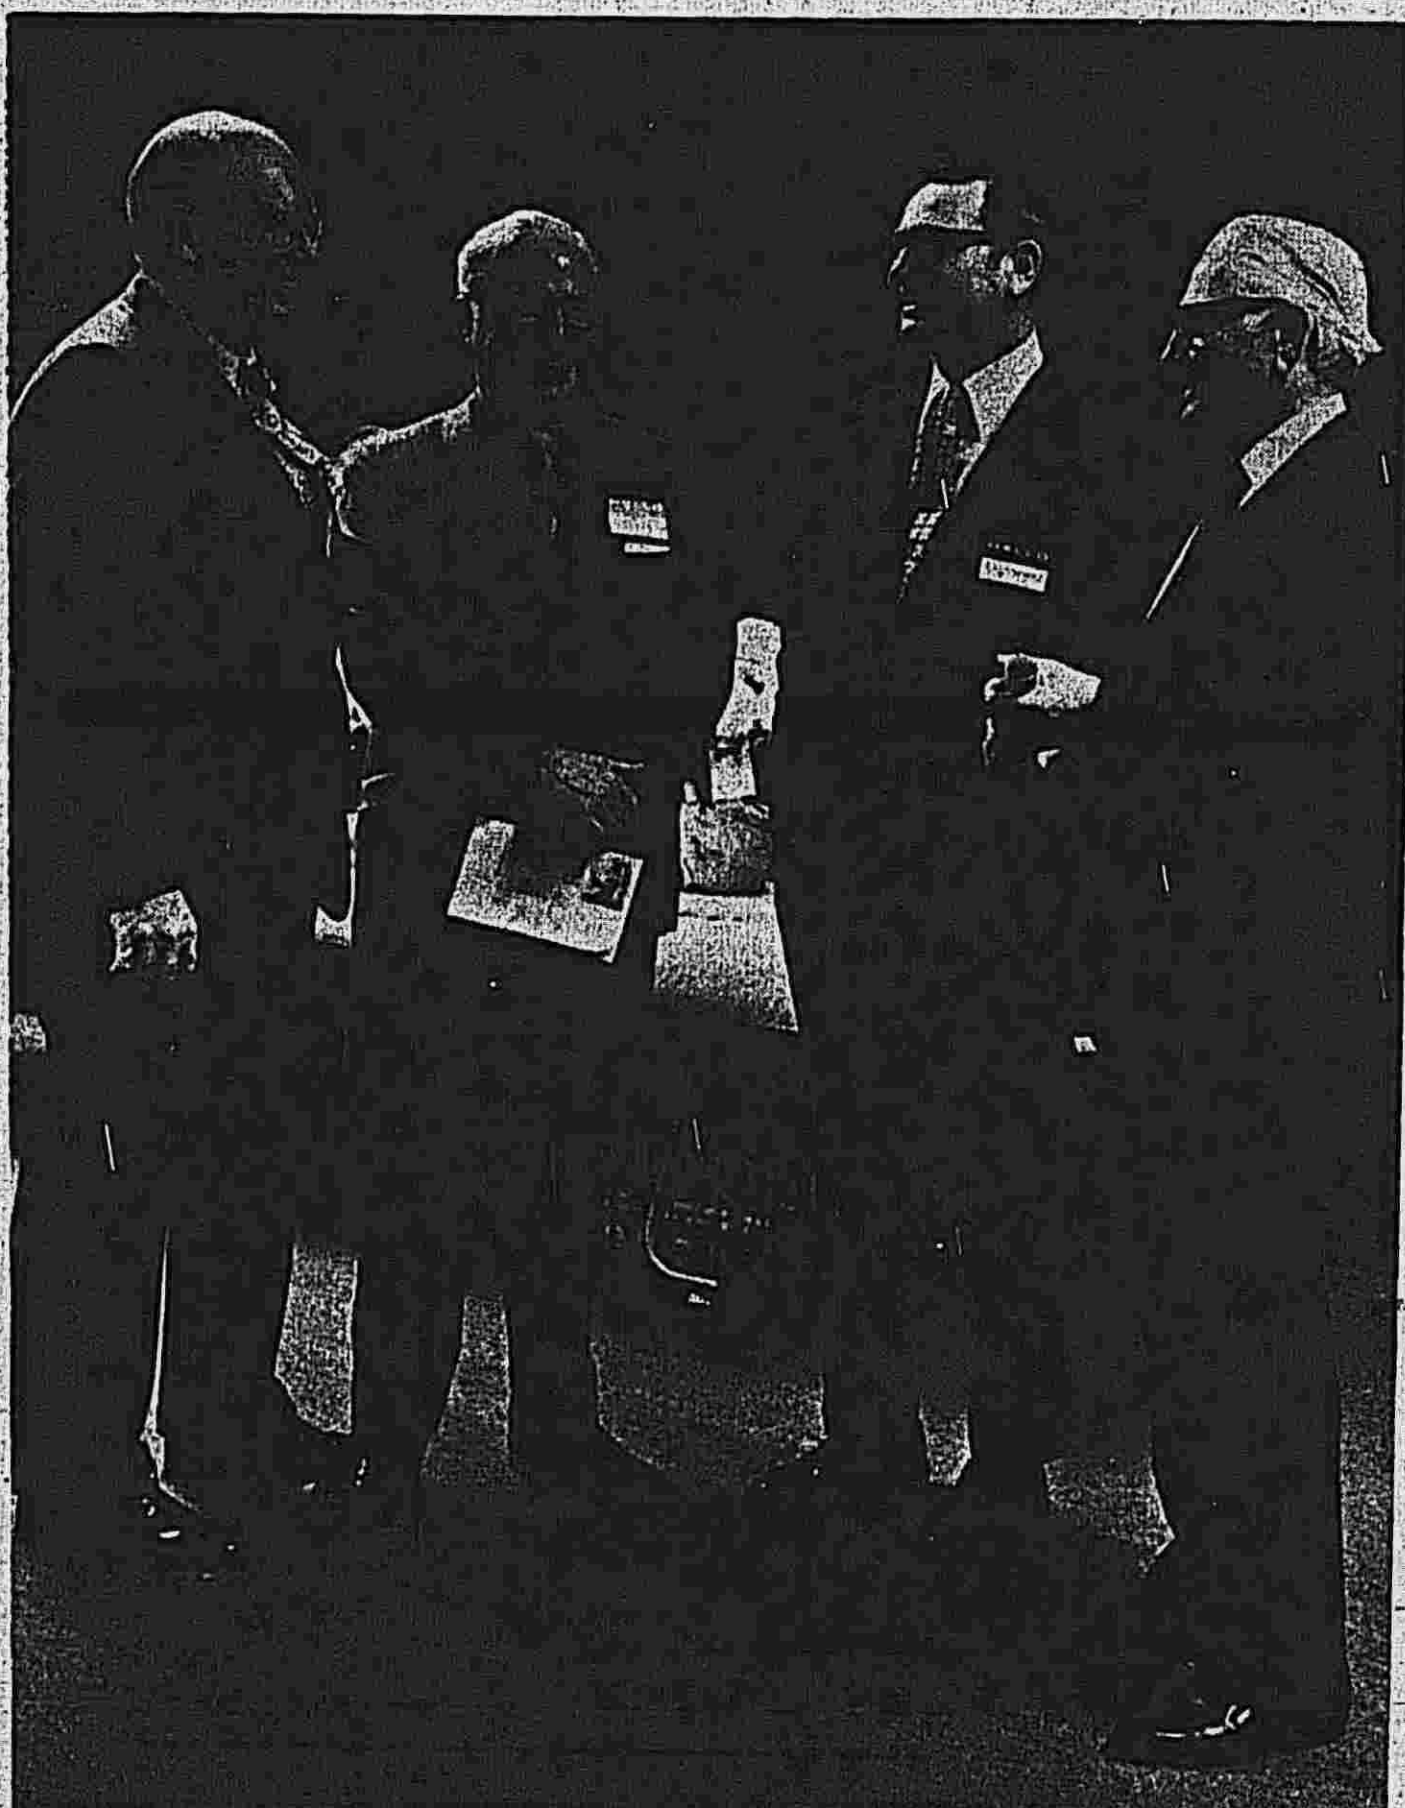

Without belaboring the point, we would like to repeat the theme of this tax referendum campaign: the 40 cents education tax rate increase is urgently needed to continue to provide a sound educational program at Antioch.

Learn the facts! If you don't have them all, or, if you have questions, call a member of the Board of Education or the High School office. Vote YES on March 25, 1972 for the education of the young people served by Antioch Community High School.

Acappella Choir Concert

The Fine Arts Department of Antioch High School will present the A-Cappella Choir in the Annual Spring Concert, Saturday, March 25 at 8:00 p.m. in the High School Auditorium. The choir, under the direction of Ralph G. Brooke will bring to its audience an exciting evening of music.

One of the special features

of the program will be the award winning Madrigal Singers and Swing Choir. These young musicians will present songs of the finest madrigal composers, and popular tunes of today.

Two soloists will also be featured by the choir. Carol Wells, contralto will sing Franz Schubert's "Ave Maria", Miss Sue Ball, soprano will also be featured singing "Morning" by

Oley Speaks.

Tickets may be purchased from any choir member, or at the door.

We invite you to spend an evening with these great young musicians.

Adult tickets \$1.25, student tickets \$.75.

FACT SHEET

ANTIOCH COMMUNITY HIGH SCHOOL

TAX RATE REFERENDUM

MARCH 25 '72

The Board of Education presents this fact sheet:

1. Antioch Community High School presently has the lowest education fund rate of any high school in Lake County.
2. \$100,000.00 was cut from the education budget this year. Without additional funds, the budget cuts anticipated could adversely affect your child's education.
3. During the last ten years, our student population and staff has doubled, our tax revenues have increased by 90%, and our costs are 4 times what they were.
4. Most staff salaries for 71-72 were held at last year's level and needed equipment wasn't replaced. This can't be continued indefinitely.

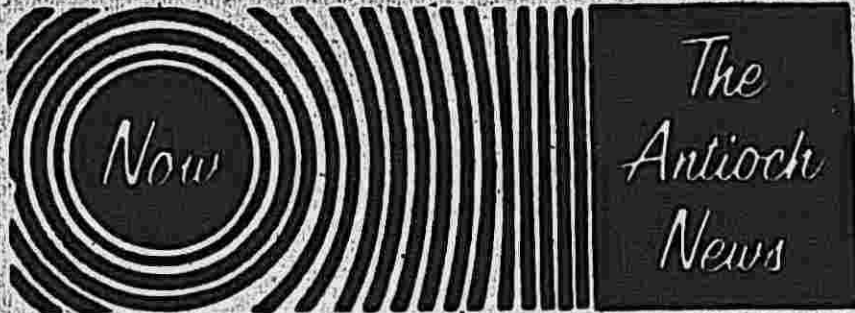

VOTE YES

We ask that you VOTE YES for the tax rate referendum to enable us to continue the quality education being provided at Antioch Community High School. If you need any additional information, please call any board member or the high school office.

School Financing

Education, or more correctly educational financing is currently in a precarious position. Throughout the State and Nation schools are running referendums or are making staff or program cuts because of insufficient funds.

In fact, Antioch High School will run an Education Fund Rate Referendum on Saturday, March 25th to decide its fate. We urge voters to come out in large numbers and approve it.

We recommend this course of action not so much because the referendum is particularly appealing, but from a practical recognition that while it will not cure the disease, it will at least treat the symptom.

What is needed is not the piecemeal approach currently offered to keep the schools running, but a comprehensive restructuring of State educational financing, to keep schools functioning at a high level, while affording taxpayers needed relief from taxes which threaten to make paupers of us all.

We of the Antioch News would like to propose a mandate to those candidates (Deuster, Murphy, Reed, Hansen, Pierce, Berning, Slavin, etc.) who have expended so much energy and funds to become elected, to expend as much or more energy in the statehouse or in Washington to resolve the question of school financing.

Be Factual

EDITORS NOTE: A newspaper is for telling the news whether it be good or bad. However, it should be factual.

In the past few weeks there have been several letters to the editor in regard to the Country Club Development. This is the place to air your gripes, one way or the other, but many of the statements have been unfounded. To name one - the "stench" of the proposed sewer system.

Our lovely home and the Newspaper office of this paper is overlooking the sewer system of the town of Antioch. In the year and one half that we have lived here the ducks on "the ponds" have been a continual joy to watch. The Village is continuing to improve the looks of the system by keeping the grounds nicely trimmed.

The odor is virtually non-existent. Only a couple hot, still evenings have we even caught a trace of an odor. Wherever you live, the air gives off odors at one time or another.

There is no human waste floating on the water. Check into the workings of a sewer system before you complain about it. Many of the old lakefront homes on our area lakes are doing much more to pollute the water and air than an efficient sewage plant.

As stated above, Complain where there is a need to complain. Praise when there is due cause to praise. BUT know the facts!

THANKS

Dear Mr. Rush:

May I say "Hats Off to Morrie Pickus" this week? Morrie, a local artist and a former Antioch businessman has been very busy the past two weeks giving freely of his time and talent to the students in our third and fourth grades at the Antioch Grade School. This is the second year he has done this. He spends some time in each room talking about art and giving demonstrations on some of the principles. The students are very interested and learn much from such a talk.

There is so much talent and so many interesting people in and near the Antioch area. My hope is that more of this can be used in the schools. It's a splendid way to bring a closer relationship between the community and schools.

So, - a great big thanks to you, Morrie Pickus.

Sincerely,
Wanda Barthel
Third Grade Teacher
Antioch Grade School

SANTINO'S "GIFT"

To the people of West Lake County he offers his "gift." Wrapped in gay paper, of apartments, cluster homes (7 homes under one roof), boat marina, motel and small shopping center. This package is tied with many strings.

On the old George Diamond golf course a housing development for 1,500 families or 4,000 to 5,000 people is planned. Great fun to share your elbow room with. They'll bring their 1,500 cars to mingle with ours on our repair weary roads and tiny parking lots. With them comes a mass of laughing children for our bursting, broke and problem ridden schools.

This projects sewage treatment plant will add each day an enormous amount of treated water to feed the glutinous alge in our already disastrously polluted lakes. The neighborhood will be perfumed with the stench of human waste.

Think of the contented hours you've spent in doctors offices waiting to be cared for. How much longer will you wait with 4,000 more people living in the area (not including the Fox Lake project). Overcrowded hospitals already exist, but then we won't mind seeing a family member bunking in a hospital corridor.

Happy hours will be spent dodging each other on the lake as boating accidents are steadily on the rise. Fishing is out of the question, who would knowingly eat fish from a cesspool.

With no recreational facilities available we can all search together in vain for a clean open place to swim, boat, fish, picnic, play ball or take a quiet walk.

I'm sure our understaffed police departments are anxious for the burden of 4,000 more people. With crime on the rise their work day won't be dull. We, of course, are learning fast its better to stay in at night and bolt the door security behind us. The problem of fire protection is still a mystery.

Santino's "gift" is rosy city living. If we accept his package, once again the sheep are sheared.

There is the group that will have personal gain with money to be made. These people will be able to afford vacations in lovely places and when it becomes unbearable around here money to move on. Most

ON THE REFERENDUM

I would like to hope that the voters of District 117 will see fit to vote an increase in the Educational Tax Rate in the coming election this Saturday.

I have been talking to many people concerning this vote in the time since the Board of Education announced the referendum. Several interesting points have come to light. I would like to present these views and opinions.

1. Why has the Board of Education failed in the past years to see the direction in which the money situation was going? They were warned at several times by interested groups. Why have they failed to communicate with the public they serve a positive case for a tax increase?

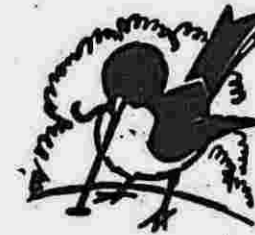

2. Why is the Board still indecisive in telling the people what will result if no tax increase is voted? Surely something is going to have to be cut. It appears at this time that they (the Board) are going to cut a little here and a little there, and erode the whole education program instead of saving as much as possible while making hard hitting cuts.

3. There appears to be a lot of mistrust in the Board of Education by parents, voters, teachers, and the student body itself. Why?

The tax increase is needed. Antioch High School has the lowest educational tax rate allowed by the State. It just simply isn't enough to run the school today. The tax increase will increase the amount of money needed to pay employees, buy paper, books and other supplies for the classrooms. It would be a shame to have a nice physical plant and not be able to use it for lack of supplies and personnel. The ones that are going to be hurt will be the kids coming into the school in the next few years. Money voted by the tax increase will not be realized for at least a year due to the ancient tax system employed by the governmental agencies of the county.

Ask yourself one question. If you can go out on the town once a year and blow \$40.00, can't you afford to pay another \$40.00 to insure that your sons and daughters can continue to receive a good education.

I would hope that with the successful passage of the tax referendum, the Board of District 117 would see fit to

of us must stay like it or not.

So what can you do? PLENTY! Go to the meetings that are opposing this planned development. Let our representatives know your feelings. Write letters.

If Antioch annexes the project, it's supposed to bring more revenue into the community, but more like it is pennies being held over our head and a huge property tax bill in your mailbox.

Fox Lake annexed the Spring Grove golf course and its housing development project is underway. There are 95 such developments for Lake County, some of much larger magnitude.

We live here because we want country living with room to breathe. It's frightening because they're bringing the city to us.

Mrs. Kathleen Plasecki

communicate more with the public decision making effecting any and all aspects of the educational programs at Antioch Community High School. With a number of new people running for the Board positions, maybe the new blood will help to bring this about.

Respectfully,

Donald E. Drake
Antioch

THE TAX REFERENDUM A DEEPER LOOK

The material facts and figures concerning the March 25th ACHS educational tax referendum have already been made public and are easily obtainable. It is now time to examine the true role of our high school to the students and community.

Whether it is realized or not, the fact remains that any public school system is the most valuable investment a person can make. A high school, like any other investment, is only worth as much as you put into it. The taxes of each citizen which are paid to the support of the school is the paid investment from which all will benefit.

Any high school is said to be an institution of higher learning. However, many people do not agree on just what is to be learned and how. There are those who believe that all that is to be learned in school can be found in a book. It is said that "All that glitters

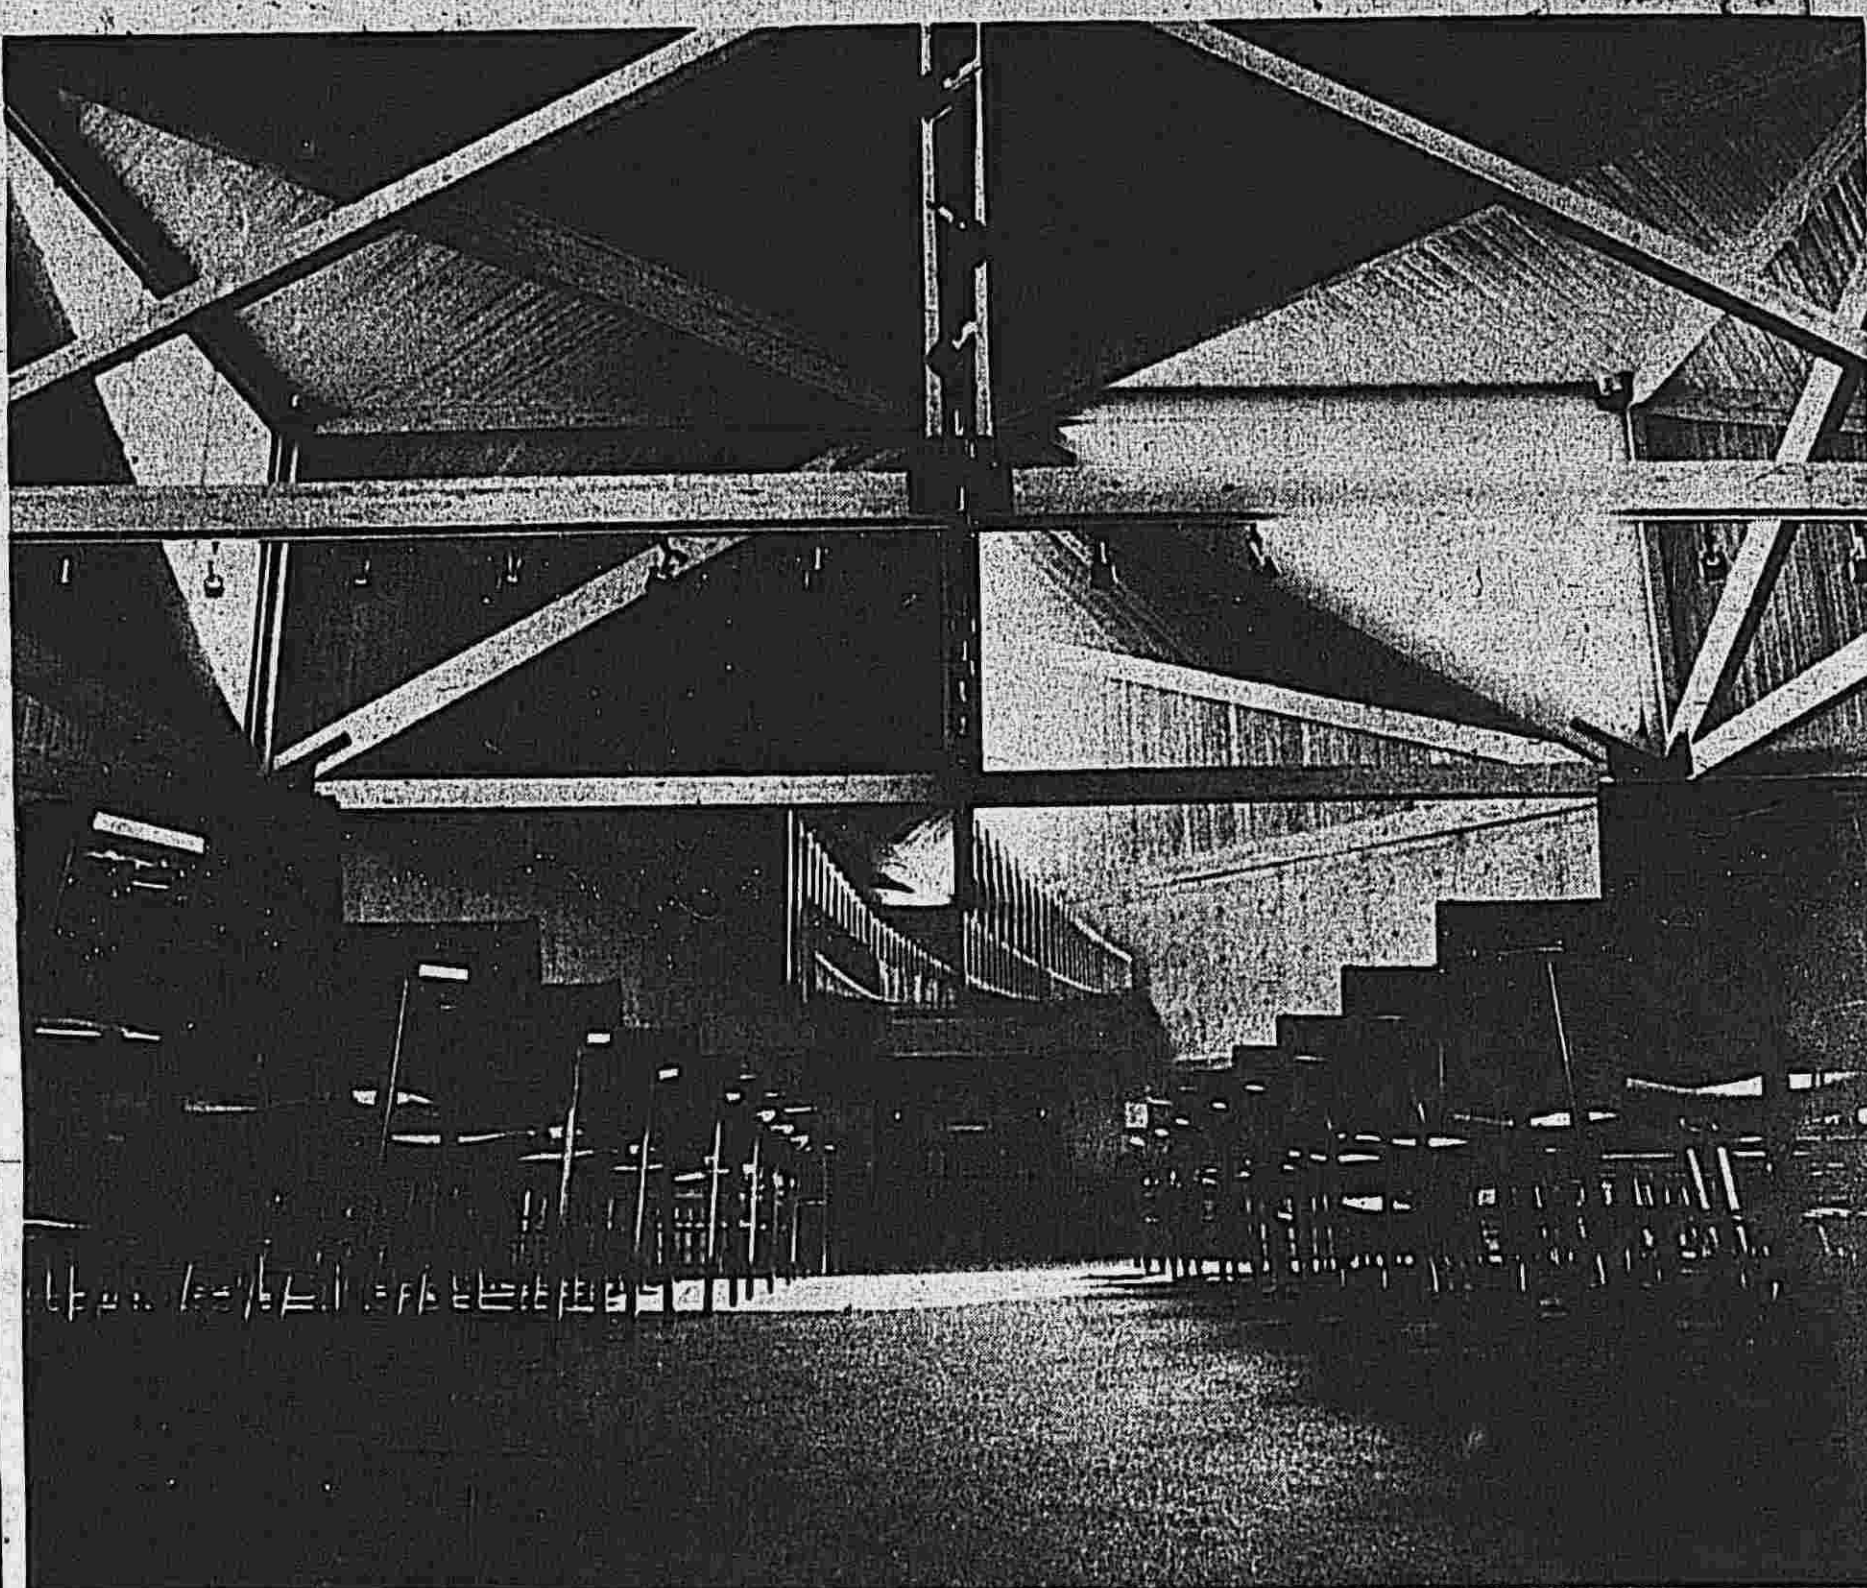

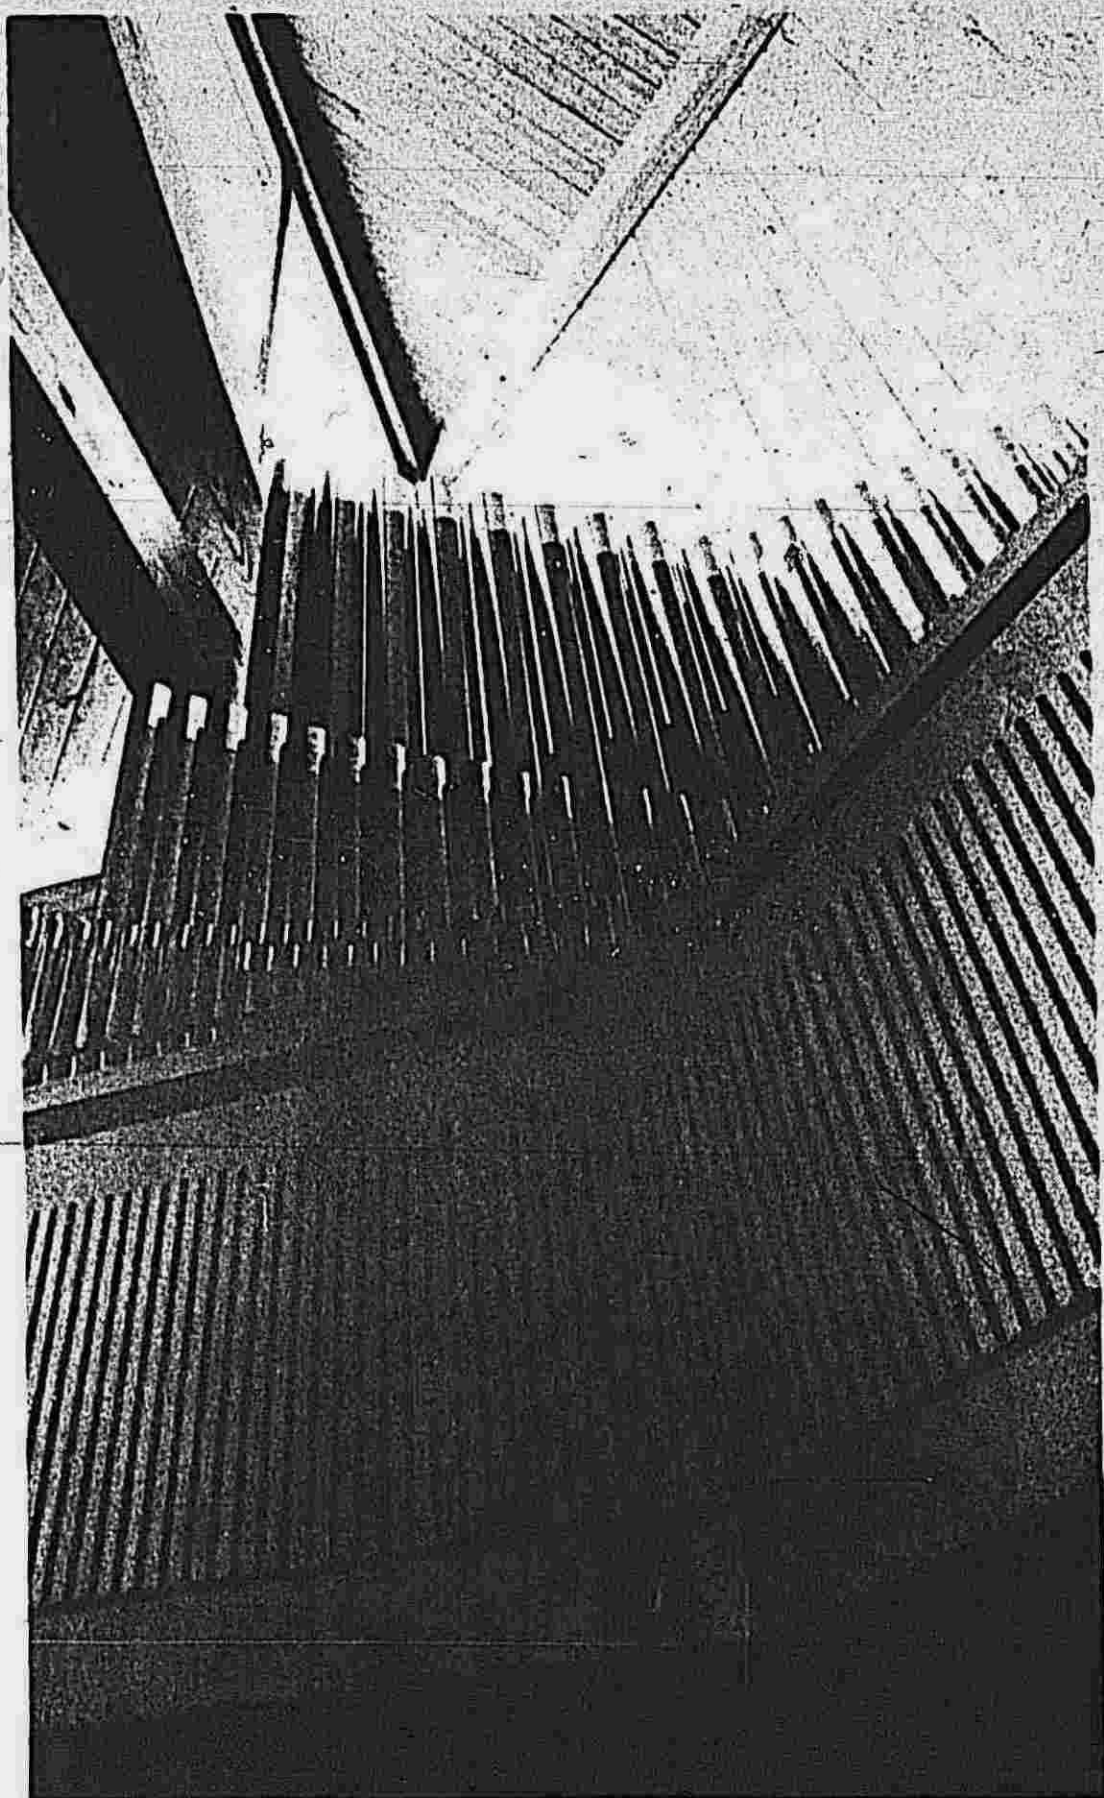

is not gold." It can also be said that all that is learned is not to be found between book covers. A defeat of the tax referendum will almost assuredly result in the doing away with most of the school's extra curricular activities. These activities are not the unnecessary "frills" or "fringe benefits" as thought by some people. For many students, this is as much a part of the learning process as anything that can be taught in the classroom; for some students the extra activities are even more important. Who is to say that learning a mathematical principle is more vital than learning to strive and cooperate with others - the underlying purpose for all extra curricular activities?

When the building referendum was passed two years ago, it was obvious that with the greatly expanded physical facilities more materials and personnel would be needed. Because of this lack of funds, our high school (especially the new section) is not being used to its potential. Not being able to use the school to its fullest potential is like buying a car without an engine. Under such a situation and along with the present budget cuts, Antioch High School is being reduced to the status of a big, attractive, but very empty shell.

One important lesson has already been learned from the financial situation at ACHS - you still can't get something for nothing. The school has tried and failed. The board and administration realized the capabilities of this school and tried to develop it although we lacked the necessary funds. The payment is now being made; by having to give up some of what we have just recently acquired.

I would just like to leave one parting question: is the concern for our school only worth 92 cents?

Scott Albright

The Abbey Church: Unique

When the word church is used, most people conjure up a mental picture of a quaint white rectangular building with stained glass windows topped by a thin bell tower or steeple.

However, in keeping with the current trend of religious liberalization and dogmatic turnaround, few newly built churches can be disguised from space capsules or futuristic domes. Such is the case for a church recently constructed for the good monks of St. Benedict's Abbey.

The church is a unique building for a variety of reasons. Foremost of these is the architecture.

The church sits half suspended in the sky and half hidden in the moist dark earth. A gentle slope of ground shrouds the church's striking roofline giving the illusion of a buried colossus. The roof is comprised of geometric shapes and contains eight windows that are placed so that the interior receives sunlight regardless of the position of the sun.

The church is a definite contrast to the main Abbey building. This three story, dormitory like structure is in the conventional building vein and adds to the impression you receive upon seeing the church.

Inside, the church breaks with tradition to form yet another visual contrast. The high irregular ceiling and supporting beams are made from a light southern wood, while the predominant color of the carpeting and chairs is a deep rich red. This, together with the stark cement walls would seem to give a cold reception to worshippers.

However, on the contrary, the interior is surprisingly warm and friendly.

Father Augustine, the Abbey's prior, said that planning for the church began more than five years ago. He explained that one of the main concerns was to create a building that was both functional and would contribute to a group identity, rather than each church-goer "defending his own little plot of territory."

"Although it sounds strange, one of our priorities in choosing an architect was to

find a non-catholic. Someone that was free of the traditional hang-ups and concepts of what a church should be."

"We reasoned," father Augustine continued, "that a man who could build a good railroad terminal, a good functional structure, could build the type of church we were looking for."

The Benedictines of the Abbey finally settled on Stanley Tigerman of Chicago as their architect. "Although this was his 'first church' we felt his previous buildings contained the features we were looking for," Father Augustine said.

Tigerman lived up to the expectations of the brothers, as he created a building that combined daring of design with functionalism and a novel interior.

Work on the Church began in April of 1971 and was completed in December, although there are still some rough edges to finish.

The church will be officially dedicated with a small personal service in July.

SPRING IS HERE! It's the time when young men's fancy turns to love, it's a time to get out last year's bathing suit, and hope that it still fits, it's a time for new joy. This week's question is:

NOW THAT SPRING IS HERE, WHAT THINGS WOULD YOU LIKE TO SEE "BLOOM", (Besides flowers)?

DAVID VOLLING, of David Street, Antioch, would like to see the CUBS "bloom" and win more ball games. He also mentioned he'd like to see more fish for fishing.

ELDA MINGER, of Bishop Street, Antioch, would like to see the referendum at ACHS go through (Hear! Hear!)

WILFRED PALMER, of Route 173, Antioch, would like to see good will among all men. (Who wouldn't?)

MARIE HABREL, Antioch, would like to see the streets "bloom" into cleanliness. (Since we all know that won't happen, maybe we can help a little by not littering.)

KAREN SCHULMEISTER, a Sophomore at ACHS, would like to see a new figure "bloom" for the summer. (I'm working on mine, more about that later.)

Here's a De-Bloomer for you. **MRS. WILLIAM RICHARDS**, Antioch, would like to see the sex problem abolished. She said, "It affects the young teenager's mind. You see it everywhere, the T.V., newspaper, etc. It seems to me the kids are more interested in sex than anything else. It's like 'I want a drink of water' today."

MARK MARAS, a Junior at ACHS would like to see the Antioch Sequoit Baseball team take 1st place this year. He'd also like to see more people go out of their way to be friendly.

RHONDA MILLS, of Pineview Drive, Antioch, would like to see a swimming pool "bloom" out in her back yard. (Another wishful thinker.)

ELIZABETH HARTKOPF, of West Shore Drive, Antioch, would like to see the economy become more stable. She would also like to see less sadness and more joy this coming year.

Back to a new me. Did you know there's a Weight Watcher's Class in Antioch every Thursday morning and night? I attend the night one, and it's really fantastic. They put you on a well-balanced food plan that really works. My first week I lost 7 1/4 lbs. Everyone loses at a different level. It costs \$6.00 to join and \$3.00 every week afterwards. It sounds a little steep, but I for one think it's worth it. The meetings are held at the Church across the street from Antioch's Dairy Queen. Peace till next week.

High School Victimized By Robbery

After a delay of eleven days, high school officials have reported the theft of approximately \$350 worth of stereo equipment from the school's Audio Visual Room. Taken in the robbery were a

pair of stereo speakers, an amplifier and a tuner. The mix-up on reporting the robbery to police apparently occurred when an inter-school memo from Mr. Curtis, Chairman of the Audio-Visual

department, to school administrators informing them of the theft was misplaced. Curtis noted at the time that there was no evidence of forcible entry and this statement gave rise to suspicions the robber may have

hidden in the room until the school was closed.

Although police hope to recover the stolen equipment by tracing the serial numbers, there is slim hope it will be found.

Remember When ?

Remember when? We don't, but maybe some of you do. It is Antioch or the people from Antioch. For the next few weeks we will publish a photo from a time long past in hopes for some it might spark a fond memory.

If you should happen to know when and where, let us know! We would be very much interested. Also if any of you have a very interesting "remember when" photo of Antioch and would like to share a memory with others, we will try to print it for you.

Hot Tuna Roll Sandwiches

1 can tuna fish drained and flaked	1/4 lb cheddar cheese, (1 cup) cubed
3 hard boiled eggs, chopped	2 tbsp. chopped green pepper
2 tbsp. chopped onion or chives	2 tbsp chopped green olives
2 tbsp. chopped sweet pickle	1 teas. lemon juice
1/4 teas. celery seed	1/2 cup salad dressing
salt and pepper to taste	

Combine above ingredients and toss lightly. Split 8 hamburger buns and fill with mixture. Wrap each bun separately in foil, sealing edges. Place on baking sheet and bake in 250 degree oven 20 minutes, until cheese melts and buns are heated thru.

Serve with tossed salad, relishes and dessert.

* This recipe was submitted by Mrs. Harry Hollen of Lake Marie in Antioch. She would like to have an unusual recipe for luncheon or salad dishes in return. If you can help her out, please submit a recipe and also let us know what recipe you would like.

EXCHANGES PANTS FOR PRISON SUIT

Robert W. Hill, 25, of 3615 North Sheridan Road, Waukegan will be an unwilling guest at the Lake County Jail as a result of a shoplifting offense at the Ben Franklin store in Antioch.

Hill was arrested Monday, March 13th, by Antioch Police after attempting to exchange two pair of trousers which he apparently had not purchased. He was apprehended after throwing away a slip he had signed for a partial refund.

Helpful Hints

COOKING FOR ONE -

A SMALL FEAST

Cooking for one person can be as much of a problem as cooking for a large family. Cooking for a large family drains your budget and your energy. But if you live alone, you may find you aren't fixing many of the foods you enjoy. Or, there's always too much left over. Mrs. Helen Volk, Lake County Extension Adviser in Home Economics, says you can solve your problem. If you have freezer space, try making your own frozen dinners. Roast a good-sized cut of meat. Make some gravy and mash some potatoes. Prepare your favorite vegetable with special seasoning. When your feast is ready, put a serving of each food into a sectioned foil tray. Meat, potatoes and vegetable - a tempting meal from the freezer. Meat freezes better if you put some gravy on it. Cover the tray with foil. Then label the package and freeze it promptly.

The frozen dinners will give you variety in your meals and save you work. And you'll always be prepared for an unexpected guest or two. It's just as easy to heat three dinners as to heat one. All you do to bring them to serving temperatures is to put them in a 425 degree oven for about 20 minutes. Leave the foil cover on while heating. All kinds of meat in gravy freeze and reheat well, Mrs. Volk says. So do mashed potatoes, sweet potatoes, peas, corn and most other vegetables.

Welcome back ED WARNERS from Skiing in Colorado.

Happy belated birthday to RON BRATZKE. Happy birthdays coming up are - TEDDIE POULOS on the 22nd, CHERYL POULOS on the 24th. Brother & sister can celebrate with Mom and Dad - MARGE & TOM POULOS who

will be celebrating 13 years of wedded bliss on the 28th. Happy birthday to KERRY SHUTE on the 21st and KATHYRN WELLS on the 26th.

Kathryn is doing all the cooking for the VIP dance the night before. Think she will celebrate her birthday sleeping!

Open house at the High School last Sunday afternoon was well attended. We can be very proud of our school! Don't forget to vote for the referendum.

HARRY & SONY ARNDT still are in shock over the lovely surprise 40th anniversary party their children gave them. Many more happy years to you both!

The Annual Banquet that the Lions give the athletes will be held on the 27th at the high school. Congrats to all the athletes who will be receiving awards.

March 25 is drawing near - hope you have your tickets for the VIP dance. If not, please call John Doetsch at 395-2881.

RALPH & LEE BROOKE have had their share of sickness! Ralph was home sick all last week and Lee ended up in the hospital with her ulcers kicking up. Hope you take a turn for the better!

The WESLEY EVENING CIRCLE Feast and Fashion Show truly was! - The fashions were lovely - "Crisp" looking and soooooo care-free! After looking at the lovely clothes, I sure hope they took out all the calories from the DELICIOUS desserts!

See you at the polls! They are open from noon til 7 p.m.

Rayski Caught Shoplifting

Mark Rayski, 18, of Antioch was arrested and charged with shoplifting Friday, March 17th after he attempted to leave the Ace Hardware store without paying for several items he had stuffed in his pockets.

After being stopped Rayski was searched and police officers discovered a socket wrench and socket extension, valued at approximately \$3.50, in his possession.

Rayski was released after his parents posted bond. He will have his day in Court on April 26th.

area banks speed up clearing

Starting April 1, 1972 banks in the Chicago area will be speeding up the clearing of checks. It will be to the advantage of the bank customer to deposit all checks as soon as possible, knowing the new procedure will result in checks being delivered to the bank on which they are drawn within 24 to 48 hours, therefore the customer will know within 3 days if the checks have cleared. The present procedures result in

checks being returned in from 7 to 10 days, and sometimes longer.

With the new check processing system, your checks will now clear within 2 to 3 days. Checks will be processed overnight and delivered to participating banks the following morning. Dishonored items will be returned more quickly. Financial cost from check fraud, no fund checks and check kiting will be reduced.

Robbers Strike Again

The recent wave of robberies that has afflicted Pittman Motors, 845 Main Street, shows no signs of letting up as burglars struck for the third time in five days last week. Value of the stolen parts was estimated at \$125.

The robbery marked the tenth time in the last two months that the firm has been

victimised.

Robberies occurred on March 13th, 14th and 17th with burglars making off with two spare tires and wheels, and a battery from the new car lot west of the Methodist Church.

Police noted they had beefed-up their patrols in the area, but that it was almost impossible to afford around the clock surveillance.

Elaine Palm Attends Bankers Conference

Mrs. Elaine E. Palm, Cashier, First National Bank of Antioch, plans to attend the Spring Conference of the National Association of Bank Women, Inc., Illinois Group, to be held at the Ramada Inn, Peoria, Illinois, on April 4 - 5, 1972.

More than 100 women, all bank officers, from all parts of Illinois will be attending the two-day conference on the theme, Varieties In Banking, which will open with a panel on Tuesday evening on Personnel, the selection, retention and problems. It will be presented by five women bankers.

A presentation, showing the services and activities performed by the National Office Staff, located in Chicago, for all American Bank Women, will be narrated by Irene S. Keith, assistant cashier, Oak Park Trust and Savings Bank, Oak Park, Illinois.

Featured speaker on Wednesday morning will be August Yount, special agent of the Illinois Bureau of Investigation, Springfield, who will speak on Narcotics and the Law, to promote a better understanding of the drug problem which is affecting a growing segment of the banking public.

A highlight of the Variety Program will be a talk on International Banking by Norman Plagge, international banking officer of the Northern Trust Company, Chicago. He will relate

international banking to the smaller banks for import-export customers.

Officers of the National Association of Bank Women, Inc., Illinois Group, are Miss Evelyn Moore, probate officer and assistant secretary, LaSalle National Bank, Chicago, chairman, Miss Evelyn Stuckle, vice president, Union National Bank and Trust Company of Elgin, vice chairman, and Miss Irene Keith, assistant cashier, Oak Park Trust and Savings Bank, Oak Park, secretary-treasurer.

EMMONS SCHOOL

HOSTS REFERENDUM MEETING

On Wednesday evening at 7:30 P.M. a special meeting concerning the referendum for the Antioch Community High School will be held at Emmons School. All interested parents and citizens are invited to attend.

NEWCOMERS PLAN

SARA LEE TOUR

The Welcome Wagon Newcomers Club will tour Sara Lee Kitchens in Deerfield on March 23rd, at 10:00 a.m. Following the tour a luncheon at Rustic Manor is planned. All newcomers and friends are invited, for information call 395-3063 or 395-0282.

Village Purchases New Street Sweeper

The Antioch Village Board of Trustees awarded the contract for a new street sweeper to Bruce Municipal Equipment, Inc., of Glenview, at their March 20th meeting.

Bruce's bid of \$15,739 was \$536 below the only other bid entered, from the Scheuster Equipment Company of Chicago.

The sweeper, an Elgin diesel

powered rig, fulfilled all the specifications needed in the village contract.

An interesting sidelight into the decision was a statement made by Bruce District Representative James Markel. In it he stated that if the village took his company's vehicle they could deliver it by Wednesday, even if he had to drive it here himself.

Mr. & Mrs. McAllister Irving 50 Years Of Wedded Bliss

Mr. and Mrs. McAllister Irving celebrated their 50th Wedding Anniversary with a family dinner at the Brae Loch Country Club on Sunday, March 12th. Reverend Lorin Messersmith of the Millburn Congregational Church said grace.

Carrie Irving wore a navy blue brocade dress with an Orchid corsage. The table was decorated in yellow and gold with yellow flowers and a Golden Anniversary Cake presented to her grandparents

by Lisa Irving.

McAllister and Carrie were married on March 14, 1922 at the First Methodist Church in Waukegan by the Reverend Charles Kelly. Carrie and her sister Beatrice (deceased) had a double wedding.

The Irving's have two sons, Donald and Glen and three grandchildren Don, Tom and Lisa.

Happenings from Parents Teachers Schools

Upper Grade Concert

The Antioch Upper Grade School Junior and Senior chorus will be giving a Spring Concert on Thursday evening, March 23rd at 7:30 p.m. in the school gym. All are invited to attend. No admission charge.

EMMONS SCHOOL HAS SCIENCE FAIR

Emmons Grade School will hold its annual Science Fair Tuesday, March 28, in the school's gym. Students representing grades 6 - 8 have completed projects in the fields of biology, astronomy, earth science, and the behavioral sciences which will be on display from 6:30 p.m. to 9:00 p.m.

The public is invited.

Emmons Parents Club Plans Dinner Fashion Show

Emmons Parents Club will present "A Burst of Spring" dinner and fashion show Thursday, April 13 at The Iron Kettle, Wilmet, Wisconsin. The Red Door and Stanley's Mens Fashions will present their

latest fashions.

Dinner will be served at 6:30 p.m. There will be many prizes. For tickets call 395-3076 or 395-5371. They may also be purchased at the door. The donation will be \$5.25.

KINDERGARTEN

REGISTRATION AT LAKE VILLA

The Lake Villa School District will be registering students for the 1972-73 Kindergarten on Thursday, March 30th. Registration will be held at B. J. Hooper School and Central School from 9:00 a.m. to 3:00 p.m. Those children entering kindergarten must be 5 years old before December 1st, 1972. A birth certificate must be presented when the child is enrolled.

OF TREES AND THINGS.
When drawing anything, it is well to qualify your intent. Do you want the object to be realistic, expressive, abstract or what?

In the above sketches you see the same tree rendered 3 different ways, tho there are probably many more possibilities. For realism, as in A, one needs to study the object very closely and render each part, detail for detail. In B, we see the liberties that were taken from the true appearance of the tree. This was done by a technique called continuous line drawing, that is, not lifting the pencil from the paper. In C, the tree was simplified, and bears little resemblance to the real tree. The artist was selective and chose to leave out many parts of the tree.

Realism is best achieved by drawing from the object rather than from memory. I advise going out of doors and sketching first the whole tree, then a twig with leaves, or

fruit, and then a detail of the bark. You see the tree in the distance, observe it as you approach it, and examine it, feel it, smell it, and even hear the rustle of its leaves. Good realistic drawing depends for a large part on how familiar you are with the object you are drawing. Never rely on memory when you can find the real object right at hand, or use a good photograph of it, and never copy other artists' drawing as this is plagiarism and a poor way to learn to do your own thing.

There is so much around to draw. Try food items, like an apple, first whole, then partly eaten, then finally the core. Try the furniture in your home, items on a kitchen table, or work bench, appliances, house plants, your family, and pets. Then when the weather permits, try the whole out-doors, a whole view then down to a blade of grass. Did you ever really look at a blade of grass?

If realism is not your thing, drawings that show expressive qualities and unique handling of the medium should be investigated. Try drawing the impression of something you have just seen. With pencil and paper in hand, sit in front of the TV and sketch something that you feel will be in view for several minutes. At first spend more time looking and remembering detail than time spent in drawing. Then sketch. This speeds up your power of observation, and increases your memory. The speed with which you draw also tends to loosen your work, as stiff, precise drawings very often lack excitement. Drawing fast impressions of things you just observed also helps capture in a few important lines the main parts of the object. You will learn to simplify your drawings and reduce them down to the briefest statements.

Happy TV Watching,

NEXT WEEK: The Pencil and Related Tools

New Deductions

Kathleen and Bill Frohmeier are the proud parents of a bouncing baby boy. William Joseph, their first child, was born on March 13th. He tipped the scales at 7lbs. 1oz. and was 20" long.

Maternal grandparents are Mr. and Mrs. J. March of Wilmot, Wisconsin and paternal grandparents are Mr. and Mrs. William C. Frohmeier of Antioch.

Mr. and Mrs. Goerge Hucker are happy to announce the birth of a little girl on March 15th. Wendy Renee weighed 7lbs. 13oz. and was 21" long. Three brothers and a sister were on hand to give this young lady a big welcome home kiss.

Maternal grandparents are Mr. and Mrs. Koziol of Chicago and Antioch and paternal grandparents are Mr. and Mrs. T. Hucker of Arkansas.

Congratulations to Mr. and Mrs. R. Burrell of Antioch who became the parents of a baby boy born on March 14th.

NEW LIGHTS FOR VILLAGE

After a unanimous vote by Village trustees at the bi-monthly meeting it appears as if local residents will no longer need to squint to read house numbers or street signs.

The vote authorized the Village to procure 17 new street lights from the Commonwealth Edison Company. The light will be the mercury vapor type and cost of renting will be approximately \$94.00 a month, each.

The new lights will be scattered throughout the Village in the more poorly lit sections. Six will be installed in the Oakwood Knolls section; two in Village Green; six in Sequoit Terrace; two in Westgate and one at the corner of Henry and Elizabeth Streets.

**NETTIE EDWARDS CELEBRATES
90th BIRTHDAY**

Forty relatives and friends were on hand to help Mrs. Nettie Edwards celebrate her 90th birthday at a smorgasbord dinner at the home of her daughter, Mrs. Pearl Taylor last Sunday.

Mr. & Mrs. Homer Edwards, Hinsdale, Ill., Mr. & Mrs. Ward Edwards, Rockford, Ill., Mr. Harold Edwards, Washington, D.C., Mr. & Mrs. Norman

Edwards, Antioch Ill., and Mr. and Mrs. Charles Anderson, South Haven, Michigan - all six of her children were present for the festivities.

Nettie, born on March 16, 1882 in Onkama, Michigan, came to the Antioch area in 1910 and taught at the Hickory School in Antioch Township. She married the late Bert Edwards in 1912.

SLOW DOWN - CHILDREN

Following a lengthy discussion begun by a citizen in the audience, the Village Board moved to erect several speed zone signs cautioning motorists to watch for children in the streets.

The signs, which lower the existing limits to 20 m.p.h. will be installed at the three entrances to the Oakwood Knolls subdivision and in the

beach area. They will cost in the neighborhood of \$4 each plus the cost of posts and erection.

The number of signs had been trimmed from a proposal of 30, following recommendations from a survey made by Trustee and Street Committee Chairman George Bartlett.

american legion auxiliary news

Mrs. Joseph Hogue, Waukegan, District President of the 10th District American Legion Auxiliary, accompanied by Mrs. Ray Rathmann, Antioch, 2nd Division President; Mrs. Everett Ainsworth, Lake Forest, District Vice President; Mrs. R.F. Hollendar, Waukegan, District Americanism Chairman; Mrs. Philip Cole Highland Park, District Civil Defense Chairman; and Mrs. S.M. Hayes, Baxter Evans Unit, District National Security Chairman; plus many other Auxiliary members; will be attending the 44th annual Department Patriotic Conference, held March 23rd, at the Sherman Hotel in Chicago. Mrs. Firman Hendricks of Cerro Gordo, State President, will preside at the day long session. Approximately 900 delegates and guests are expected to be in attendance.

MRS FIRMAN E HENRICKS
STATE PRESIDENT
AMERICAN LEGION AUX

Among the featured speakers will be National Commander of the American Legion, John Geiger of Des Plaines, Illinois. Geiger, a special assistant to the Vice President of Facilities and Property for United Air Lines, was a combat veteran of World War II, having served with 11th Armored Division in the European Theater of Operations. With his background and experience, he will bring a message on Americanism of much

importance to the assemblage.

Since the State President has adopted the "Indians and their American Heritage" as her theme this year, a national security speaker has been brought to Illinois, through the sponsorship of National Headquarters, U.S. Marine Corps, Washington, D.C. Lorenzo James, an 18 year old Indian, who is Platoon leader in the JROTC at the Phoenix Indian High School, Phoenix, Arizona, will speak on national security. Cadet James speaks several Indian dialects and translates into English in a matter of seconds. He is an outstanding student from this school, established in 1891. Today there are 822 boy and girl students in grades seven through twelve. The U.S. Marine Corps started an R.O.T.C. Unit at this school, which is under the jurisdiction of a retired Colonel Clay A. Boyd, assisted by two retired Marines. There are now 142 members in the ROTC, and they are working towards a goal of 170 members. They have a special dormitory for the cadets, which includes a recreation room, TV lounge and laundry room. The cadets do their own washing, ironing, etc. Most cadets are Navajo, followed by Hopi, Apache, Papago, Pima, Ute, Hualapai, Cocopah, Warm Springs

Oregon and Mohave. These boys are entitled to wear the marine corps uniform, and they are proud of their ROTC and their heritage. Cadet James is a fine young man whose talk will be of interest to all.

Civil Defense will be covered by a special film from the Chicago Civil Defense Office, with emphasis on home care, medical self-help and family survival.

Guest speaker at the luncheon will be Mrs. James R. Williams of Kingwood, West Virginia, National Vice President of the Central Division. Special awards will be presented also to the winning District Presidents and Vice Presidents through the membership program.

Representing the Antioch American Legion Auxiliary at this Conference will be Mrs. John W. Horan, President; Mrs. John L. Horan, Americanism

Chairman; Mrs. Bernard Stadick, Civil Defense Chairman; Mrs. Sam Pettigrew, National Security Chairman; and Mrs. Rathmann.

There will be a board meeting of the 10th District Auxiliary on Wednesday, March 29th, at 8:00 P.M., at the Lake Villa Trust and Savings Bank, Recreation Room, Grand Avenue, Lake Villa. Mrs. J. Hogue, District President, will conduct this meeting.

Due to the sudden death of Mrs. Charles Butts of Freeport 2nd Division President, on March 14th; Mrs. Ray Rathmann, Division Vice President, will be serving as Division President until the June 11th division convention, to be held in Glen Ellyn, Illinois. At that time, Mrs. Rathmann is slated to be elected and installed as Division President.

IT'S SOCIETY TIME AGAIN

The meeting of the Lake County Hammond Organ Society for March will be held at the Gurnee American Legion Hall, Grand Ave. (Rt. 173) and Milwaukee Ave. (Rt. 63) in Gurnee, Ill. The date is March 21st at 7:30 p.m. Jim Brill of Kenosha will be the Guest Artist. Jim's program is to be a surprise, which I think you will all enjoy. So much of a surprise, he won't even tell me!!! He's afraid I'll tell, and he's right.

The reservations for the "Hermes Pipe Organ Concert" in Racine are to be made this meeting. Only the first one hundred and fifty people with PAID reservations will be accepted, so come to the meeting prepared. The cost will be \$2.50 per person, on Sunday April 30. This will be a combined Lake County and Kenosha Meeting.

Also at this meeting, Bob Floetz will present a Brand New Hammond Organ. All I can say is the new Hammond that is being shown has "Come a Long Way Baby". So come on out Spring is here, and there's no excuse for not being there.

Ray Schreiber Awarded Special Service Pin

Recognition for fifteen years service was given to Raymond F. Schreiber, Route 5, Box 385, Antioch, Illinois, by the Allstate Insurance Companies when he was presented with a special service pin, recently.

Schreiber is a senior staff underwriter in the Special

Accounts Department of Allstate's Home Office in Northbrook, Illinois.

He graduated from Wright Jr. College, Chicago, with a Business degree.

He and his wife, Karen, have two children: Charles and Susan.

Royal Neighbors Hold St. Patrick's Meeting

ALICE LASSEN, Oracle of the Royal Neighbors Camp No. 459 opened the meeting at 8:10 p.m. Tuesday, with a big smile for this St. Patrick's Meeting.

The flag was brought in by BEA MILZ and all said the pledge of allegiance. Birthdays for the month were celebrated by DOT GELDEN. Also an anniversary song was sung to PEARL ANDERSON who was celebrating her 49th Wedding Anniversary.

A discussion was held as to the Annual Officer's Dinner, which will be held on April 2nd.

The Charter was Draped for MURIEL WOJTANEK. GLADYS LOKKE and ROSE KENNEDY were

reported on the sick list.

The Kitchen Committee for this month are as follows-PEARL ANDERSON, MYRTLE DELANY who served delicious Irish goodies.

The next meeting will be March 28th.

Future meetings of the Royal Neighbors will be on April 11th, April 25th, May 9th, and May 23rd.

Public Invited On AARP Hawaiian Tour

John L. Horan, Program Director, Antioch Chapter of A.A.R.P., has invited the general public to the Hawaiian Tour Planning Meeting, Tuesday, March 28, 1972.

Scheduled for 12 noon in the Community Room of the Antioch Savings and Loan Association, the tour meeting will feature a guest speaker, information on Hawaii and a discussion of the tour.

"We wanted to pass along this outstanding vacation value to the entire community," Mr. Horan said. "We're touring the four main islands for two weeks, and staying in top hotels. There's sightseeing, native shows and parties, and the cost is only \$499 plus tax from Chicago!"

Further tour information is available from Mr. Horan by calling 395-0645.

LAKE COUNTY

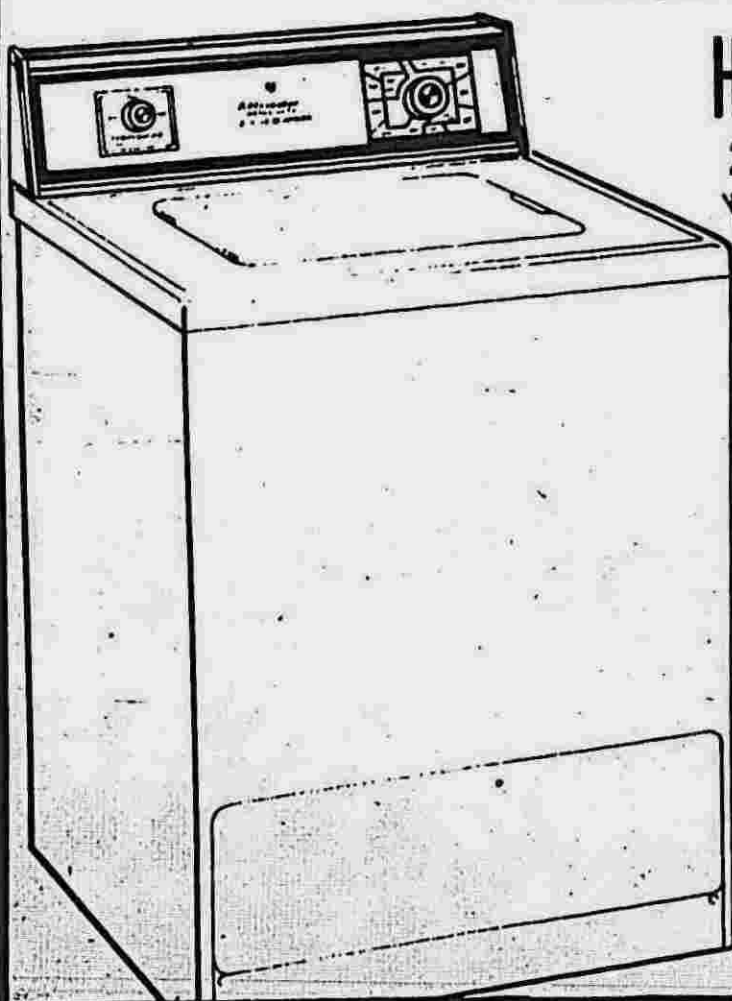

FIREMAN'S MEETING

The Lake County Firemen will meet in Zion on March 27, 1972 at 8:00 p.m. The meeting will be held at Station Two on Lewis Avenue. Guest speaker will be Mr. Harry A. Walker, Special Agent for the Federal Bureau of Investigation.

A new P.A. system donated by the Waukegan Fire Department is now in operation for the county meetings.

The Lake County Waterfight Association will hold its meeting in Lake Zurich on March 24, 1972 at 8:00 p.m.

CAREER CONFERENCES AT COUNTY FAIRGROUNDS

The Lake County Training Association in conjunction with the College of Lake County and area businesses and high schools, is holding a Career Conference at the Lake County Fairgrounds on Wednesday, March 22nd from 9 A.M. to 5 P.M. and March 23rd from 9 until 1.

The purpose of the project is to acquaint college and high school seniors with the opportunities open to them in the business world following graduation. Approximately 40 companies and representatives from the Armed Services will display exhibits at the Grayslake fairgrounds.

The Lake County Training Association said that it hopes students could confer with potential employers on a one-to-one basis and learn the story about the company's products and business.

Busses will shuttle high school students to the conferences and officials of the Association have raised hopes that they can surpass last year's attendance of 1,300 interested young adults.

McDonald's and Coca-Cola have set up concession booths for the two day meetings and have generously agreed to donate their profits to the W.C. Petty Scholarship Fund.

ART SHOW TIME NEAR

Lake County's 14th Annual Town and Country Amateur Art Show will be held Wednesday and Thursday, March 29 and 30. The exhibits will be in the Farm Bureau Building and the Cooperative Extension Service Building located on the Lake County Fair Grounds, Grayslake.

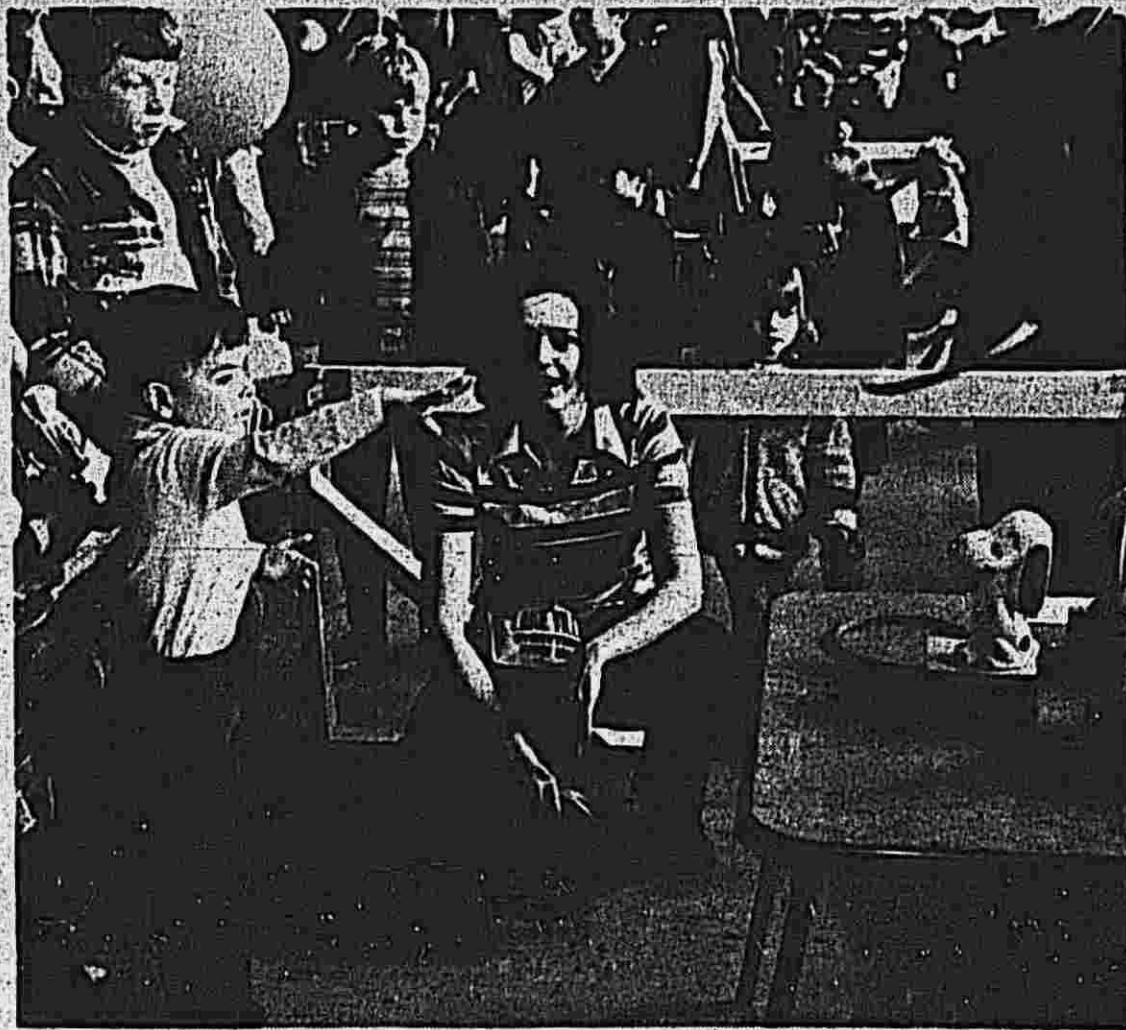

This year's show, which promises to be the largest ever held in Lake County, will be open to the public free of charge from 1:00 p.m. to 10:00 p.m. March 29 and 9:00 a.m. to 8:00 p.m. March 30, according to Ray T. Nicholas and Helen Volk, Lake County Senior Extension Advisers.

A special feature of the first day of the show is the critique to be presented at 2:00 p.m. and 7:30 p.m. These critiques will be presented by the jurist of the show, Dr. Walter Johnson professor of Art, and head of the University Extension Division in Visual Arts, University of Illinois, Urbana.

Dr. Johnson will select the top entries in each of the three divisions including adult, high school, grade school and pre-school, and award blue and honorable mention ribbons. Adult blue ribbon winners will be eligible to enter the regional art show at DeKalb in June.

Visitors to the Lake County Show will have an opportunity to view the best works of the Amateur Artists in Lake County. Exhibits will include painting in all media, metal enameling, weaving, sculpture, photography, carving, ceramic, collage, lapidary, jewelry, mosaic, welding, stitchery, and other.

The Town and County Art Show is sponsored by the Lake County Cooperative Extension Service of the University of Illinois.

With the rapt attention of passers by this youngster tries his luck at the ring-toss booth during Fun Fair held Sunday at the Oakland Grade School. The days activities netted almost \$400 for the school's P.T.A. (Staff Photo)

The first woman to occupy a seat in the U.S. Senate was Rebecca Latimer Felton, a Democrat from Georgia. She was appointed to the post by the Governor in 1922.

CLC Trustee Elections April 8

Thirty-three precincts have been created for the April 8 election for Trustees of the College of Lake County. Two members will be elected to three-year terms on the Board of Trustees of the College.

The location of precincts and polling places was determined to make it convenient for voters to participate in all school elections to be held on Saturday, April 8. Most polling places will be the same as those used for voting in high school Board of Education elections on the same day.

Dr. Hoekstra reminded voters

"Any resident of the College district in doubt as to the proper polling place should contact the College office at 223-8193." Dr. Hoekstra, Administrative Assistant to the President, indicated.

Dr. Hoekstra reminded voters that requirements for voting in the Junior College election are the same as in other school elections. A voter must be registered; over 18 years of age; have lived in the State one year, in the County 90 days, and in the College district for 30 days.

"Voters will be going to the

polls on April 8 to vote for Board members of local school districts, and we urge them to be sure to vote in the Junior College election at the same time. We have made very effort to simplify the election by using, in 31 of 32 locations, the same polling places as used by the high schools. We hope the voters will take the opportunity to help select Trustees for the junior college Board," Dr. Hoekstra stated.

Any voter who might be absent from the College district on election day is reminded to vote absentee. Applications for ballots may now be requested by mail from the College offices; and April 3 is the last day for applying by mail.

Voting absentee in person at the College offices may be accomplished after March 27 with April 5 as the last day to apply in person for absentee ballots.

Local Precincts and their locations for the College of Lake County election are:

No. 1 - Antioch Community High School, Antioch

No. 2 - Lake Villa Grade School, Grand Avenue, Lake Villa

No. 3 - B. J. Hooper School, Sand Lake Road and Beck Road, Lindenhurst.

With a Stern Eye

"I'd like to get my hands on all those people who worked so hard to get eighteen year olds the vote," mumbled Marilyn around the pencil in her mouth. The stack of applications for absentee ballots beside her had risen alarmingly since the morning mail was sorted.

"That's me!" I said from behind the heap of addressed envelopes and corresponding index cards. "I was one of them." We were an island surrounded by specimen ballots and foam pads waiting to be inserted with the IBM cards into the addressed envelopes.

"It can't always be like this? I mean -- have they ever had two elections going at the same time before? Two batches of absentee applications that had to be kept separate and answered immediately if not before?"

"I don't think so."

Lights have been burning early and late in the County Clerk's Office. Upstairs on the sixth floor, the Voters' Registration crew have processed over 7,000 new registrations and transfers since registration closed on February 22nd. On the main floor, we have been sorting two sets of absentee ballots, stuffing envelopes and making hieroglyphic notations on cards, and typing up forms to be duplicated for the swarming team at work in the basement storeroom. There, the boys -- Fred, Terry, Lowell, Stan and Bob -- have been filling supply boxes, crimping ballot pages for the voting machines, and inserting the correct ones in the each of the 235 precincts' machines. There are five different ballot configurations depending on the Congressional and Legislative Districts -- and each precinct has its own candidates for committeeman in each party -- so actually there are 470 different ways in which to foul up.

"If you think this is frenzied, wait until that two weeks in between the March 21st and April 4th elections," said Penny, peering hollow-eyed from behind a mountain of unsorted specimen ballots.

There was a desperate silence, punctuated only by the plock-plock of typewriters.

"Here's another one!" said Marilyn. "This woman says she is an arthritic who cannot leave the house and would like an absentee ballot -- but she didn't have her signature notarized."

"Did her doctor sign the back?"

"Yes, but that signature isn't notarized either." We looked at one another as we had several times over the past few days. Sadly, and with resignation.

"You know it's wrong -- just plain wrong -- that these people have to go to the expense and the nuisance of having their doctors sign affidavits, with a notary besides, just to vote. There must be a way, if the Legislature would only make the effort to find it, of having folks who are permanently disabled register that fact with us for an indefinite period."

"But the law says --"

"I know what the law says -- and the law is bananas! I had a man call me last week and ask for an application for absentee ballot. He said that he is a paraplegic and if his wife were not a notary, he would never be able to vote. And that's

disenfranchisement just as surely as if we told him he had to go to the polling place to cast his ballot! The law, is supposed to serve people, not discriminate against them, and --"

"I know." But what shall we do about this one?"

Another silence. And another exchanged look. "Let me have it. I'll telephone her and see what can be done."

Pause. And the sound of typewriters in the big office. No other noise except the faint hum of janitors at work in the lobby and upstairs.

"John Matijevich says he will try to put in some kind of

bill to cover this situation in the next session."

"You told me that. But what about all these that we have here?"

"Yes." Sigh. "What about them?"

It isn't bad enough to be crippled, or sick or old or housebound. The law says that in order to cast a ballot you must have a visit from your doctor so he can sign the application for absentee ballot (and presumably you pay for a house call) -- you must also arrange somehow, some way, to have a Notary Public present to witness the two signatures. It makes for government not exactly 'by the people' -- at least not all of them...

Channel Lake Chatter

Joe Gutowski returned home from Victory Memorial Hospital in time to celebrate his birthday on Friday March 10th. Among those stopping in for a cup of cheer and wishing Joe the best were Barb and Don Bjork, Bob and Lorraine Lemke, Ray and Dorothy Enzenbacher, Pat and Dick Harland, Bill and Alice Portalski, Lou Portalski, Cee Portalski, Dee Navik, Tracy and Carol Hill and Lee and Jean Muir.

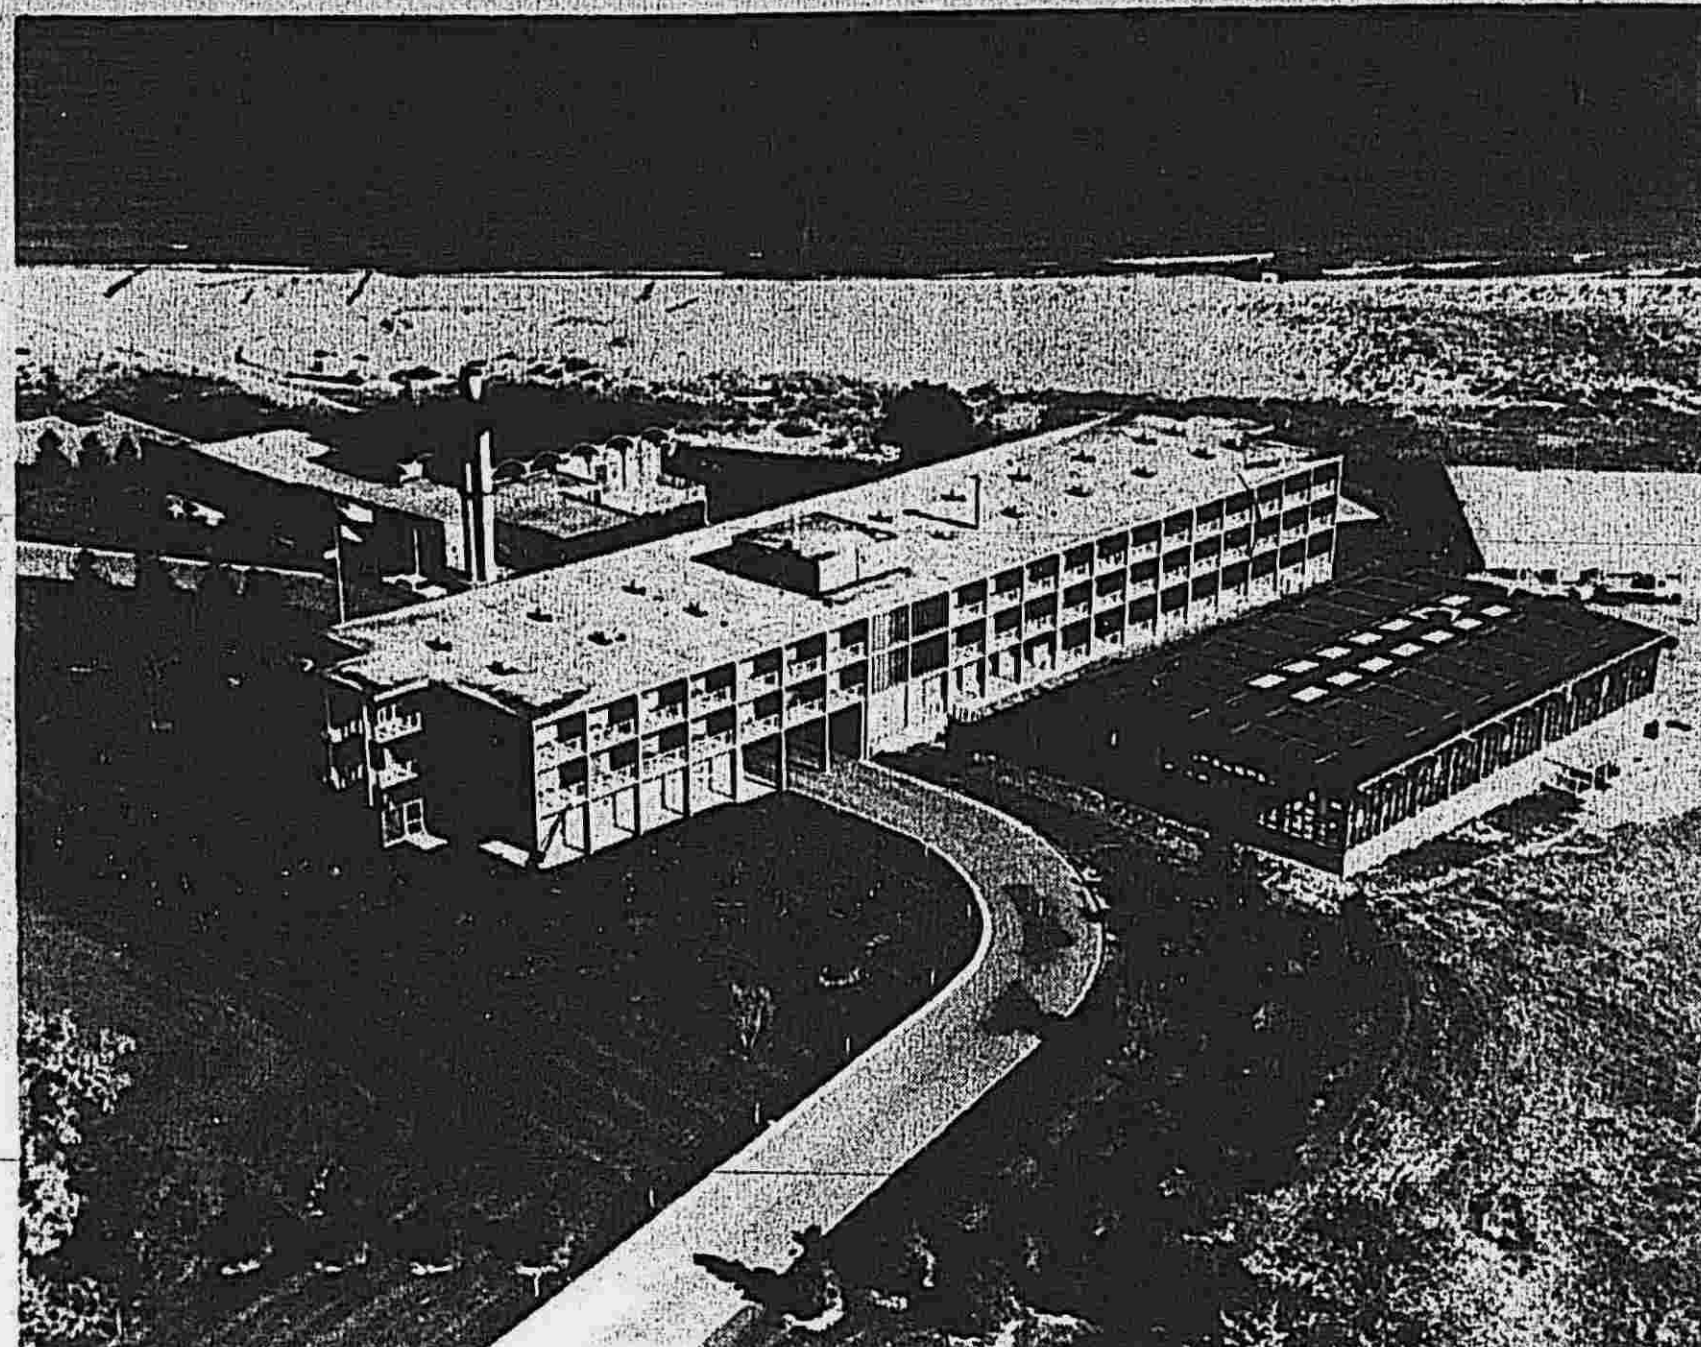

Joe would like to take this opportunity to thank all our friends and family for their cards, phone calls and visits. They were really very much appreciated.

The local gang made their last journey north to the John Runyard cabin for snowmobiling this past weekend. Those participating in the last fling were the John Runyards, Rich Behrens, Mike Zelens, Gene Rudolphs, Don Rodgers and Billy Chase. With all the machine breakdowns and soft snow it made the weekend very memorable for most of them.

Matt Chase, son of Bill and Mary Chase, and 5th grade student at Channel Lake School is a patient at Victory Memorial Hospital with a broken leg. Matt will be layed up for some time and I'm sure he would appreciate hearing from his classmates and neighbors.

Big event over the weekend at the Channel Lake Grade School. Mrs. Mary Grover and her kindergarten students became the proud parents of four baby gerbils. Needless to say, it was a very exciting Monday.

Our local upper grade school boys did very well in the Annual Antioch Grade School

Ill. Beach Lodge Celebrates 10th Birthday

On Sunday, March 12th, the Illinois Beach Lodge celebrated its tenth year of operation under the direction of developers Saul Corush and Jay Bard with a gala press conference and Family Fun Afternoon at the lakefront resort in Zion.

The Lodge, overlooking miles of Lake Michigan Shore and wooded dunesland, was built in the middle fifties, but because of poor administration

and lack of recreational features was considered a financial flop. Then, in 1962, the two developers sank their own money into the public property and it began to show almost immediate returns.

Illinois Beach Lodge is located inside Illinois Beach State Park and offers a variety of bountiful diversions. In addition to the three story contemporary Lodge, the facility offers a large indoor heated pool, nature trails,

toboggan slides, fishing ponds, bicycle and horse trails, tennis courts, several practice putting greens and an indoor game room, complete with table tennis, billiards, card rooms and a theatre.

The progress at Illinois Beach Lodge from flop to star performer in ten years is a success story based on hard work. The operators accepted the challenge based on their own personal conviction that when guests receive super service, fine facilities and ample opportunities to enjoy themselves, all at reasonable rates, success is bound to be assured.

The correctness of their concept is demonstrated by the fact that the Lodge has consistently shown a greater increase in usage than any other State Park facility during the last five years.

But the operators are well aware that success is not spelled "l-u-c-k" but rather "w-o-r-k". Right now they are planning the 209th improvement for their guests -- a health spa, complete with sauna and whirlpool baths.

Wrestling Tournament at the Antioch High School. Billy Harland and Dick Whitton took seconds in their respective divisions and Bob Gossman and John Fenner took firsts in theirs.

Also doing very well in the Solo and Ensemble Band Competition at Round Lake last Saturday were Kathy Pierce taking a first in the duet and quartet competition with the flute. Her brother Jim Pierce took second in the brass quintet and Judy Bjork took first in the alto clarinet quartet competition. A big pat on the back and congratulations to all our local children.

Happiness is reigning high in the George Hucker household as his wife Pat presented the family with a seven pound 13 ounce girl on Wednesday, March 15th. The little princess has been named Wendy Renee and is a pure delight to brothers Danny, Wade and Kurt and especially to her sister Laure. Congratulations to the happy family!

Happy Birthday last Tuesday to Ann Rogers.

Judy Bjork celebrated her 14th Birthday last Thursday, March 16th with her family. Stopping by for cake and ice cream were her aunt and uncle Emory and Ruth Trussel and children, her grandmother, Vivian Bruel and the Joe Gutowski family.

Welcome home to John Bjork. John returned home last Friday from school and will be working until the fall semester begins.

Eileen Irmin returned to school Monday after having her tonsils removed early last week. Eileen is the daughter of

Rich and Dianna Irmin.

Sherry Teslow is home from the hospital after having her tonsils removed last week. Sherry had to stay a couple of extra days, a result of minor complications but is fine now and hopes to return to her fifth grade classes by mid-week. Sherry is the daughter of Byron and Anne Teslow.

Matt Chase is now home from the hospital, but will be layed up for several months in a body cast. I'm sure cards and visits would be greatly appreciated.

The Upper Grade School chorus will present a concert on Thursday at 7:30 p.m. in the school gym. The program is very special to the children, as their teacher, Mrs. Judy Robinson will be taking a leave of absence, to await the birth of her first child around the first of May.

Don't forget the APT (Apache Parent Teacher organization) meeting at the Upper Grade School, Monday evening at 7:45 p.m. in the school cafeteria.

FREE Lily Bulbs to Highligh Chicago Flower & Garden Show

Lily lovers attending the Chicago World Flower and Garden Show March 18-26 are in for a colorful treat. They'll find floral romance and beauty in the specially-constructed Colgate Lily Garden.

In the multi-colored floral display there will be over 530 beautiful Jagra Hybrid Lilies—the easy-care Asiatic lilies developed by world-famous Jan de Graaff.

It's all a part of Colgate Palmolive Company's gigantic Lily Garden, featuring 17 different varieties of Jagra lilies in a magnificent setting. Surrounded by a colorful stained wood deck backdropped by a lavish pool and fountain, each of the varieties will have its own separate section of the garden. The overall effect will be one of dazzling profusion with some of the lilies opening up to eight inches or more in width.

Bulbs for three of these Jagra Lilies will be available at the special Colgate Lily Booth at a substantial saving. They are the butter yellow Golden

Splendor; the beautiful Black Dragon, white with dark green markings; and the gorgeous Pink Perfection.

Visitors to the Colgate Lily Garden can either purchase the bulbs or can bring labels from either bottles of Palmolive Dishwashing Liquid or Ajax All Purpose Liquid Cleaner, or tops from boxes of new Heavy Duty Cold Power. With three labels or box tops, they can get a package of three bulbs free. And, there's no limit. It's a beautiful way to grow.

This year's garden and flower extravaganza will be held in the Don Maxwell Hall at the spacious new McCormick Place on-the-lake.

The new McCormick Place has permanent dining facilities in the lower levels and large parking areas which include a 2,100-car indoor garage and parking lots which can accommodate over 6,000 automobiles. McCormick Place is easily reached by public transportation or via any of the expressways and tollways leading into Chicago.

4-H Leaders Awarded

Mrs. Clarence Naffziger, Zion, and Mrs. Ralph Sandri, Wildwood, were recipients of special awards at the 1972 4-H Leader's Recognition Banquet held February 4. Mrs. Naffziger has served 25 years as an outstanding 4-H Leader. Mrs. Sandri, a former 4-H'er from Michigan, is now contributing her fine services in Lake County as County 4-H Chairman and Wildwood Club Leader. Other 4-H Leaders received Clover Pin Awards for

their service as 4-H leaders for fifteen, ten and five years of service. Receiving five year pins were: Mrs. Andre Meuter, Antioch; Mrs. Edward Radzik, Libertyville; Mrs. Gene Finney, Grayslake; Mrs. Joseph Chudik, Ingleside; Mrs. Floyd Faulkner, Gurnee; Mrs. Murray Conzelman, Wadsworth; Mrs. J. Markham, Mundelein; and Mrs. D. Buchta, Antioch.

These women are examples of the many other volunteer leaders who are the backbone of the 4-H Club Program.

EXTENSION LESSON IS "SELECTION OF FURNITURE AND ANTIQUES"

During the months of March and April, Senior Home Economics Adviser, Mrs. Helen Volk and her assistant, Miss Cheryl Guyer, are presenting the timely lesson "Selection of Furniture and Antiques."

The objective of this lesson is to help homemakers, who are members of the Lake County Homemakers Extension Association, learn to identify furniture styles and appreciate their furniture heritage. With the vast selection of furniture and furnishings available across our country, at a wide variety of prices, it is important for the homemaker to have a basic knowledge of what to look for in furniture. With this information, the homemaker can create the comfortable and attractive surroundings of her

choice.

The lesson covers furniture styles from prehistoric ages through the golden age of France, England, Early America and Modern styles. The lesson also touches on what to look for in furniture construction.

This educational program is a service of the Lake County Cooperative Extension of the University of Illinois.

It is hoped that all Lake County Homemakers Extension members will attend their monthly meeting to benefit from this lesson.

For further information about the Lake County Homemakers Extension Association, write or call Mrs. Helen Volk, Senior Extension Advisor, P. O. Box 306, Grayslake, Illinois, phone 223-4844.

Coulson Urges Tax Reform

Although I am not running for the State Senate, I am determined to push Illinois toward property tax reform before I leave office. As a chairman of the Joint Senate-House Committee, I simply cannot manufacture the time to do this work and visit with you personally. I hope you will agree that this is the better service for the people, and will give me whatever help you can while I try to get the personal property tax off your backs and accomplish some reform in the real estate tax structure.

After the Monday-Tuesday session of the legislature in which I unfolded a plan for tax relief for the elderly and hard-pressed property owner, I was called to Washington to a conference of the Republican National Leadership and the organization of the Committee to Re-Elect President Nixon. From Wednesday through Saturday in the first week of March National Committeeman Robert Stuart, State Central Committeewoman Phyllis Walters of Algonquin, Senator Terrel E. Clarke and I conferred with almost every member of the cabinet, the Vice-President, our Congressmen and Senators and a dozen Presidential advisers and counsellors. (President Nixon was resting up from the China trip, but we did spend one evening at the White House.)

We participated in panel discussions with the official campaign organization on such subjects as law enforcement, environment, transportation, agriculture, national security, the economy and civil rights. There was outlined for us our approach to labor, minority groups, suburban voters and the independents.

As a result of our week of conferences in Washington with the National Committee, I am even more cognizant of the challenges of public service at both the state and national level. While I am not seeking re-election, I assure you I will not back off from the continuing challenge of public service.

BEHIND YOUR HEALTH

Five Warning Signs Of Kidney Disease

Today diseased kidneys are being saved because kidney research is making vital new discoveries. This makes it more important than ever to diagnose kidney disease early. The following might be warning signs:

1. Puffiness around the eyes, particularly in children.
2. Swelling of parts of the body.
3. Lower back (flank) pain just below the ribs.
4. Visibly bloody or coffee colored urine. Changes in the pattern of urination, increased frequency, urination at night.
5. Burning or any abnormal sensation on urination.

Your symptoms may or may not indicate kidney disease. See your doctor and let him be the judge.

For further information, contact the Kidney Foundation of Illinois, 127 N. Dearborn St., Chicago, Ill. 60602.

CHOOSE TAX HELP CAREFULLY IRS WARNS

Need help with your income tax return? If you do and you seek professional help, be sure to select only qualified and reputable advisors, the Internal Revenue Service advised taxpayers today.

A taxpayer can have someone else prepare a return, but the taxpayer is responsible for the accuracy of the information entered and the full payment of any additional tax, penalties, and interest charged, IRS Director, Roger C. Beck, for Northern Illinois, said today.

While most tax practitioners are competent and honest, Mr. Beck alerted taxpayers to these potential danger signals:

Never sign a blank return; Do not sign a tax return prepared in pencil (it can be changed later);

Avoid the advisor who "guarantees" refunds, wants a percentage of the refund, or supposedly knows all the angles; and

Be on your guard if it is suggested that your refund check be mailed to the advisor.

A professional advisor should sign the tax return he prepares on the line provided and you, the taxpayer, should record his name and address for future reference.

Obituaries

MRS. ELSIE A. SCHROEDER - 93 years old of Antioch Illinois passed away Wednesday March 15th at Victory Memorial Hospital. She was born April 25, 1878 in Antioch, Illinois. The daughter of the late Daniel A. & Addie Williams whom were pioneer settlers in the Antioch area. She had moved to Chicago in 1900 to take her nurses training at Wesley Memorial Hospital and had become head surgical Nurse by 1913. She resided in Chicago until moving to Peoria, Illinois in 1947, then to Newtown Missouri in 1949, then back to Antioch in 1964. She had been a member of the Auxiliary of Wesley Memorial Hospital, member of the Fort Dearborn Chapter of the D.A.R. - and a member of St. Pauls Episcopal Church in Riverside, Illinois. She married Dr. Wm. E. Schroeder in 1913 in Chicago and he passed away on March 5, 1926.

She was also preceded in death by 1 son Wm. E. Schroeder, Jr. - 2 sisters and 1 brother; 1 daughter - Mrs. Shirley Schroeder O Connell. Survivors are Mrs. Catherine (Ralph) Parker of Antioch with whom she lived - Mrs. Adele Ellis (New Castle, New Hampshire) - Mrs. Marion Gillespie (Canton, Ohio) - Mrs. Ruth (Eugene) Blackburn (Montreal, Canada) - 15 grandchildren and 15 great grandchildren and 1 great, great grandchild - 3 nieces, Miss Betty Lu Williams (Antioch) Mrs. Arie (Betty) Van Calcan (Watertown, Wis.) - Mrs. Lee (Adele) Horwitz (Milwaukee, Wis.).

Memorial services were held on Saturday at the Methodist Church in Antioch. The Rev. Donald C. Cobb officiated. Interment was in Hillside Cemetery in Antioch.

MR. LONNIE D. SMITH, Sr. - 82 Yrs. Old of Venetian Village, Lake Villa, Ill., passed away suddenly on Tuesday March 14th at his home. He was born Jan. 1, 1890 in Princeton, Kentucky and moved to Chicago in 1928 then to Venetian Village in 1950. He retired 17 years ago as an employee of the Olson Rug Co., in Chicago, where he worked in the finishing department. He was preceded in death by his wife Jeannette (Nee Gunther) Smith on May 15, 1962 - 1 son Etna Smith in 1943 - 1 grandson Michael Smith - 1 sister Mrs. Rose Oates - and three brothers Joseph, Charles and Ewen Smith.

Survivors are 1 son Lonnie D. Smith, Jr. (Lake Villa, Ill.) - 1 daughter Mrs. Edna (John) Parr (Kentland, Indiana) - 1 brother Alvin Smith (Grape Vine, Texas) 1 sister Mrs. Oddie (Felix) Oliver (Dawson Springs, Kentucky) 7 grandchildren and 16 great grandchildren. Funeral Services were held on Saturday at Beshear Funeral Home in Dawson Springs, Kentucky with interment in Liberty Cemetery in Caldwell County, Kentucky. Local arrangements were made by Strang Funeral Home of Antioch.

MRS. CLARA M. BRASSART - 57 Yrs. old of 2311 W. Diversey Ave., Chicago, Ill., passed away on Saturday March 18th at Victory Memorial Hospital. She was born November 19, 1914 in Chicago and had lived there all of her life. She married Paul Brassart on June 23, 1950 in Chicago.

Survivors are her husband Paul - 1 daughter Mrs. Stephanie (Thomas) Cotter (Chicago) - 1 niece Mrs. Shirley Schultz (Chicago) - 1 grandchild Thomas C. Cotter, Jr. - 1 brother Jack Sauter and a sister Rose Sauter (both of Chicago).

Funeral services were held at 1:30 p.m. at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the United Methodist Church officiated. Interment was in Hillside Cemetery in Antioch.

MR. JOHN F. BELONGIA - 30 Yrs. Old of 830 Camp Street - New Orleans, Louisiana passed away March 15th at Breau Bridge, Louisiana. He was born Sept. 20, 1941 in Rhinelander Wisconsin and lived in Antioch before moving to New Orleans three years ago. He was a member of St. Peter's church in Antioch. He had been employed as a maintenance man. He was preceded in death by his father Albert Belongia on March 16, 1970.

Survivors are 2 sons John F. and William Belongia (both of Burlington, Wis.) His mother, Mrs. Margaret Belongia (Antioch) - 2 brothers Al and Kenneth Belongia (both of Racine Wis.) - 1 sister Mrs. Marilyn (Alfred) Roth (Antioch).

A funeral mass was held on Monday, March 20th at St. Peter's Catholic Church in Antioch. Interment was in Mt. Carmel Cemetery in Antioch.

Easter Flower Show To Open

Heralding the coming of Spring, thousands of gay warm blooms, in a riot of color from soft pastel chromata to vivid reds, purples and crimsons, will share the limelight with stately lillies in the park conservatories from March 25 through April 9, when the Chicago Park District's 60th annual Spring and Easter Flower Show is on display. Garfield and Lincoln Park Conservatories will be open every day during this period from 9 a.m. to 9 p.m. Admission is free at all times.

The featured flower in the twin show is always the lilly, symbolic of the Easter season. Close to 2,000 Ace Easter Lillies will dominate the displays at Garfield with some 1,000 King strain Easter lilies featured at Lincoln Park. Bulbs are domestic stock cultured in park greenhouses. Huge crosses fashioned from hundreds of these magnificent lily blooms will be the center of attraction at both buildings.

Also featured, at Lincoln Park, will be blue and white hyacinths, white daisies, snapdragons, poor-man's orchids, nasturtiums and eupatorium lanthemum, augmenting the mass plantings of lillies. Intermittent jet fountains, stationed at intervals, add to the garden display.

At Garfield, brightly colored tulips, cinerarias in a wide range of brilliant colors, sweetly scented stocks, primroses, crocuses, muscaria, puschkinia and sweet peas, will be found in both the Show House and in Horticultural Hall. Another Show House feature will be a grand Shamrock display, an always popular annual floral setting in honor of St. Patrick.

Guide service will be provided free for school and civic groups if arrangements are made in advance. Telephone LI 9-3006 for Lincoln Park Conservatory, and KE 3-1281 for Garfield Park Conservatory.

Meet Springtime ahead of

schedule. Plan now to attend the annual Spring and Easter showings during the period March 25 to April 9, as guests of the Chicago Park District.

FRIENDS

Some friends we meet along
Life's way

Stop just for a moment, and
then
They've gone along on a
different road,

And we never meet again.
There are other friends who
stop with us,
And their hearts are staunch
and true.

And though we part...
We are friends at heart.
Just such a friend are You.

Mrs. Elfrieda Mau

Card of THANKS

We would like to express our sincere thanks to Ed Strang, Father Johnson, the ladies of St. Peter's Altar and Rosary Society, friends and neighbors for their help and kindness during our time of bereavement.

Alfred Roth Family

Christian Science Churches

How did Christ Jesus heal the sick? This question will be explored Sunday at Churches of Christ, Scientist, in a Bible Lesson-Sermon entitled "Reality."

Scriptural selections include an account of the healing by Christ Jesus of a blind man.

Commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy includes this explanation: "Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In this perfect man the Saviour saw God's own likeness, and this correct view of man healed the sick."

Services begin at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rte 173 & Harden, Antioch, and the public is always invited.

"SEEKING HEALING? CAN YOU FORGIVE?"

Listen this Sunday to the
Christian Science Radio
Series for some interesting
insights on this question.

BUSING

Congressman Robert McClory issued the following statement today upon delivery to the Congress of the President's message on school busing:

"I congratulate President Nixon on responding decisively and courageously on the school busing issue. This subject, which has aroused such emotional tension, requires thoughtful and considerate action on the part of the President, the Congress, and the courts.

"I am particularly impressed by the President's recommendation for equal educational opportunities. The comprehensive bill contemplating expenditures of about \$3 billion during the next 18 months promises expanded educational opportunities in those areas where schools are deficient because of lack of funds and physical facilities.

"The Equal Educational Opportunities measure can help reduce the need for additional busing by other efforts to provide a quality education for all students on an equal basis.

"The second measure, described as the Student Transportation Moratorium Act of 1972, is a measure which I expect will be considered by my House Judiciary Committee. The prospect of limiting court jurisdiction or postponing court action in relation to Constitutional provisions requires the most careful consideration—in order to avoid an impasse involving the courts and the Congress.

"There may be disagreements with portions of the comprehensive program which the President has advanced. However, there can be no mistaking his sincere purpose as contained in his final plea for all to unite 'behind the program which will make it possible for all the children in this great and good country to receive a better

LAKE COUNTY HEALTH IMPROVEMENT ASSOCIATION

The board of directors of the Lake County Health Improvement Assn., meeting in Libertyville on March 7th, opened its county-wide annual enrollment of new members in its Blue Cross-Blue Shield health care program.

Raymond Flood, HIA president pointed out that the group will take applications through March, with benefits for new members beginning on May 1st.

For the first time in its long history the Lake County HIA will accept new members over 60 years of age, but not yet 65.

The HIA Blue Cross-Blue Shield program also includes coverage for people older than

SEMINAR ON FUND-RAISING

DANIEL LYNN CONRAD
FUND RAISING SPEAKER

"How to Raise from \$1,000 to \$100,000 in a Year" is the name of a one-day seminar which will be conducted by the Institute for Fund-Raising of San Francisco, California. The same one-day seminar will be held on three different days, Thursday, March 23, Friday, March 24, and Saturday, March 25, from 9:00 a.m. to 4:15 p.m. at the Holiday Inn - Kennedy Expressway, 1 South Halsted Street, Chicago.

Daniel Lynn Conrad, President of the Institute for Fund-Raising, will be the instructor. His professional background includes the fund-raising staff of Northwestern University and Havey Fund-Raising Management, Milwaukee, Wisconsin, before heading his own consulting firm.

Also included is a 50-page take-home kit entitled, "Basic Tools in Fund-Raising."

65 who are on Medicare. The special plan supplements but does not duplicate Medicare.

Persons desiring to join this Blue Cross-Blue Shield group or who want more information should phone 356-7087.

Vice president Harry H. Stern reported on his attendance at the annual District No. 1 Spring Conference which was held at the Loyola University Hospital in Maywood. Reasons for rising hospital costs was one of the items on the agenda. The outlook was for continued steep increases in the price of hospital care.

Officials Prayer Breakfast

The third Annual Lake County Public Officials' Prayer Breakfast for the Lake County area leadership will be held at Trinity College on Saturday, March 25, 1972 at 8:40 a.m.

This event is a county version of the Presidential Prayer Breakfast held annually in Washington, D.C. Similar events have been held in all fifty states and in numerous cities. The public officials of Lake County as well as mayors of many cities in Lake County will be present.

The Prayer Breakfast was inaugurated in 1952 by Christian leaders in the United States Senate and the House of Representatives as a time for rededication of the individual and the nation to God. Participants are laymen and the sponsoring committee is a group of citizens who have informally joined together for the occasion.

The speaker at this event will be John Noble, author of Faith & Freedom Forum. Presiding Chairman at the Breakfast will be Wesley T. Shepard, Superintendent, District 6, Zion Elementary School. The Organizing Committee is made up of Chairman Duane L. Hasselbring, Lake Bluff; Executive Secretary Dorothy W. Dorband, Waukegan; Howard S. Armerding, Zion; William J. Bicket, Zion; George H. Boehmer, Round Lake; Donald E. Dueter, Mundelein; Gerald W. Gillaspie, Deerfield; E. Wallace Hanlon, Libertyville, Publicity Chairman; William H. Hoyerman, Deerfield; Bernice Just, Waukegan; Ross H. Merritt, Waukegan; Ray T. Nicholas, Grayslake; Edgar W. Pigg, Lake Bluff; Marlin D. Reed, Waukegan; Grant E. Spong, Antioch.

CLC Offers Free Income Tax Help

Free assistance with the preparation of income tax returns is available at the College of Lake County Outreach Center at 148 South Genesee Street in Waukegan beginning Wednesday evening, March 15. The Outreach Center will be open to provide this service every Wednesday evening from 7:00 p.m. to 9:00 p.m.

Assistance will be provided by students of the College of Lake County who have recently completed a volunteer tax assistance training course sponsored by the Waukegan Office Internal Revenue Service.

"Persons with questions concerning income tax matters or tax problems are welcome to avail themselves of this community service. Volunteer tax assistance will be available on Wednesday evenings not only before the April 17 date for filing but on Wednesdays following that date for persons with specific income tax problems," stated Mrs. Nellie Suggs, Center Director.

Persons with any questions regarding the tax service are invited to call Mrs. Suggs at the Center, 623-8686, any weekday between 8:30 a.m. and 5:00 p.m.

"ENTERTAINMENT SPECTACULAR"

VIA EASTER SEAL TELETHON

JACK BENNY

What promises to be one of the biggest star-filled variety shows in television history will be enjoyed by Chicago and suburban residents, Saturday, March 25 and Sunday, March 26 with the televising of the Easter Seal Telethon, live and in color from Las Vegas.

The Telethon, which begins at 10 p.m., March 25, will be broadcast over Channel 11, WTTW.

Superstars of the show business world including Frank Sinatra, Jack Benny, Andy Williams, Sammy Davis, Jr., Robert Goulet, Phyllis Diller, Buddy Hackett, Della Reese, Don Rickles, Flip Wilson and more will participate in the 20-hour-long show.

Jimmy Durante is honorary chairman of the Telethon which is expected to feature

more than 75 entertainers.

Warren Swanson, president of the Easter Seal Society of Metropolitan Chicago, Inc., said the Telethon goal for the Chicago and Cook County area is \$250,000.

Funds raised from the Telethon will be used to expand Easter Seal therapy services to thousands of Chicago and suburban handicapped children and adults, such as the development of stroke patient therapy, Swanson said.

The Easter Seal Society of Metropolitan Chicago, Inc. is a non-sectarian organization supported only through individual and foundation donations. It has been providing therapy services in the metropolitan Chicago area for 36 years.

Sears Claims Acceptable T.V. Reception

For nearly two years, Sears has had broadcast engineering specialists and scientists working toward a solution of the television interference, problem related to Sears Tower. Significant progress has been made and tests confirmed by computer runs now indicate that Channels 2, 5, 9 and 11 would have a maximum ghost level that is generally considered acceptable. Channel 7 would have a maximum slightly exceeding that level. This assumes that Channels 7 and 11 are on the Hancock Building.

Present conclusions by the consulting engineers retained by Sears indicate that all

Legal Resolution

LEGAL RESOLUTION

Re: Antioch Consolidated School District No 34 - Voting Precincts Election of Members for the Board of Education to be held April 8, 1972.

BE IT RESOLVED by the Board of Education of the Antioch Consolidated School District No. 34, Lake County, Illinois, that on the 8th day of April, 1972, an election will be held in and for said school district, for the purpose of electing TWO MEMBERS of the Board of Education for the full three year term.

For the purpose of this election, the following precincts and polling places are hereby established and described as to boundaries:

VOTING PRECINCT NO 1 ANTIOCH GRADE SCHOOL.

Beginning at the east shore of the channel flowing into the northern part of Channel Lake and extending south to Smith's Resort (but not including Smith's Resort) on Rt. 173, thence southeasterly past the east end of Venn Road to the north shore of Lake Marie.

Beginning at the State Line and the east shore of the channel flowing into the north part of Channel Lake and extending east to Deep Lake Road, then south including the west side of Deep Lake Road to Rt. 173, then west including the north side of Rt. 173 to Grimm Road (Hickory Road), then both sides of Grimm Road west to Rt. 83, then west to east shore of Lake Marie.

VOTING PRECINCT NO 2 CHANNEL LAKE SCHOOL.

Beginning at Willmot Road and State Line and extending south including the east side of Willmot Rd. (south of Rt. 173) to State Park's southern boundary.

Extending from Willmot Road and State Line east to the west side of the channel flowing into the northern part of Channel Lake and extending from this point south across Channel Lake to and including Smith's Resort on Rte 173, then on a line extending southeasterly past the east end of Venn Road to the north shore of Lake Marie.

VOTING PRECINCT NO 3 OAKLAND GRADE SCHOOL.

Beginning at the east side of Deep Lake Rd. and the State Line and extending south to the south side of R. 173 then west to Grimm Road (Hickory R.), then south on direct line to south shore of Loon Lake at Shady Lane, then south to Town Line Road including North and Denes Streets.

The balance of this precinct would be all that area east of the division line described in the above paragraph.

NOTICE OF ELECTION

FOR MEMBERS OF THE SCHOOL BOARD SCHOOL DISTRICT NO. 34, LAKE COUNTY, ILLINOIS

Notice is hereby given that on Saturday, the 8th day of April, 1972, an election will be held at Antioch Grade School, Channel Lake Grade School, and Oakland Grade School, in School District No. 34, County of Lake and State of Illinois, for the purpose of electing 2 members to the school board of said district for the full term of three years.

For the purpose of this election, the following precincts and polling places are hereby established:

Precinct No. 1 Antioch Grade School Building, 817 Main Street, in Village of Antioch, Illinois.

Precinct No. 2 Channel Lake Grade School Building, Route 3, Lake Avenue, Antioch, Illinois.

Precinct No. 3 Oakland Grade School Building, Grass Lake Road and Deep Lake Road. Northwest corner Antioch, Illinois.

The polls will be opened at 12 noon and closed at 7:00 o'clock P.M. of the same day.

By order of the School Board of said district.

Dated this 18th day of January, 1972.

Richard C. Harland,
President

Joan A. Toft,
Secretary

March 22, 1972

Future Industries To Hold Open House

A new job machine shop with an auto racing division in the east side industrial park of Antioch (Illinois) is flourishing as the 1972 racing season draws near. Future Industries, Ltd. at 890 Anita Avenue in Antioch has only been in business a year, but already they've doubled their quarters, yet still are cramped.

Operators Herb Artelt and Ralph Timan do plan to squeeze an "Open House" into their busy schedule on Saturday afternoon April 1st from 4:00 to 8:00 P.M. There will be refreshments and door prizes, products, machines and race cars on display plus the first public showing of Tom Anderson's radically new "50-50, 45055" super modified.

Anderson's new car stands just 38 inches high and features a new design never before seen at local tracks.

Artelt and Timan, each 34 years old, both left their regular jobs to found Future Industries last summer. Various types of production machining and fabrication are handled in their shop.

But both were involved in auto racing, Artelt as a late model driver and Timan as a late model and modified car builder. Seeing a need for a one-stop racing supply outlet for the professional race car owner, they expanded their business.

Over the winter they have built three modifieds and a 1972 U.S.A.C. Dodge Charger race car plus reconditioned several other cars. Before the Open House April 1, a retail racing parts facility at their present location will be opened.

Future will be distributors for Nance Speed Equipment of Wichita and they will also handle several brands of racing tires, racing fuels, safety equipment and suspension components. Custom made parts can be handled in their machine shop.

ALL ABOUT MUSHROOMS

The largest mushroom farm in the world is Butler County Mushroom Farm, founded in 1937 in a disused limestone mine near West Winfield, Pennsylvania. It has 875 employees working underground in a maze of galleries 110 miles long, producing about 25,000,000 pounds of mushrooms per year.

and neighboring communities. We had looked forward to this opportunity to present an up-to-date progress report," a spokesman said.

Legal Resolution

BE IT RESOLVED By the Board of Education of Antioch Community High School, District Number 117, Lake County, Illinois

SECTION 1: That for the purpose of the regular school election to be held on the 8th day of April, 1972, this school district be, and the same is hereby divided into three voting precincts, as set out in Section 3 hereof:

SECTION 2: The polls of said election shall be opened between the hours of 12:00 o'clock noon and 7:00 o'clock p.m. of the same day, at which time the polls shall be closed:

SECTION 3: That notice of said election shall be given by the Secretary of this Board of Education by publication in the Antioch News and the Lake Villa Reporter, secular newspapers, having a general circulation in this School District, at least ten (10) days before the date set for such election and that such notice be in substantially the following form:

NOTICE OF ELECTION FOR MEMBERS OF THE BOARD OF EDUCATION OF SCHOOL DISTRICT 117, LAKE COUNTY, ILLINOIS

Notice is hereby given that on Saturday, the 8th day of April, 1972, an election will be held in and for Antioch Community High School, District Number 117, Lake County, Illinois, for the purpose of electing TWO MEMBERS of the Board of Education for the full three-year term.

For the purpose of this election, the following precincts and polling places are hereby established:

VOTING PRECINCT NUMBER 1 shall consist of all that part of Community High School District 117, Lake County, Illinois, situated within the political townships of Lake County, commonly known as Antioch Township and Newport Township, Illinois

POLLING PLACE: Antioch Community High School Building located in the Village of Antioch, Illinois

VOTING PRECINCT NUMBER 2 shall consist of all that part of Community High School District Number 117, Lake County, Illinois, situated within the political township of Lake County, Illinois, commonly known as Lake Villa Township, except that part of said Lake Villa Township which is situated within Sections 25, 35, and 36, Township 46 North, Range 10, East of the Third Principal Meridian and also except that part of said Lake Villa Township which is situated within Sections 1 and 2 of Township 45 North Range 10, East of The Third Principal Meridian, Lake County, Illinois:

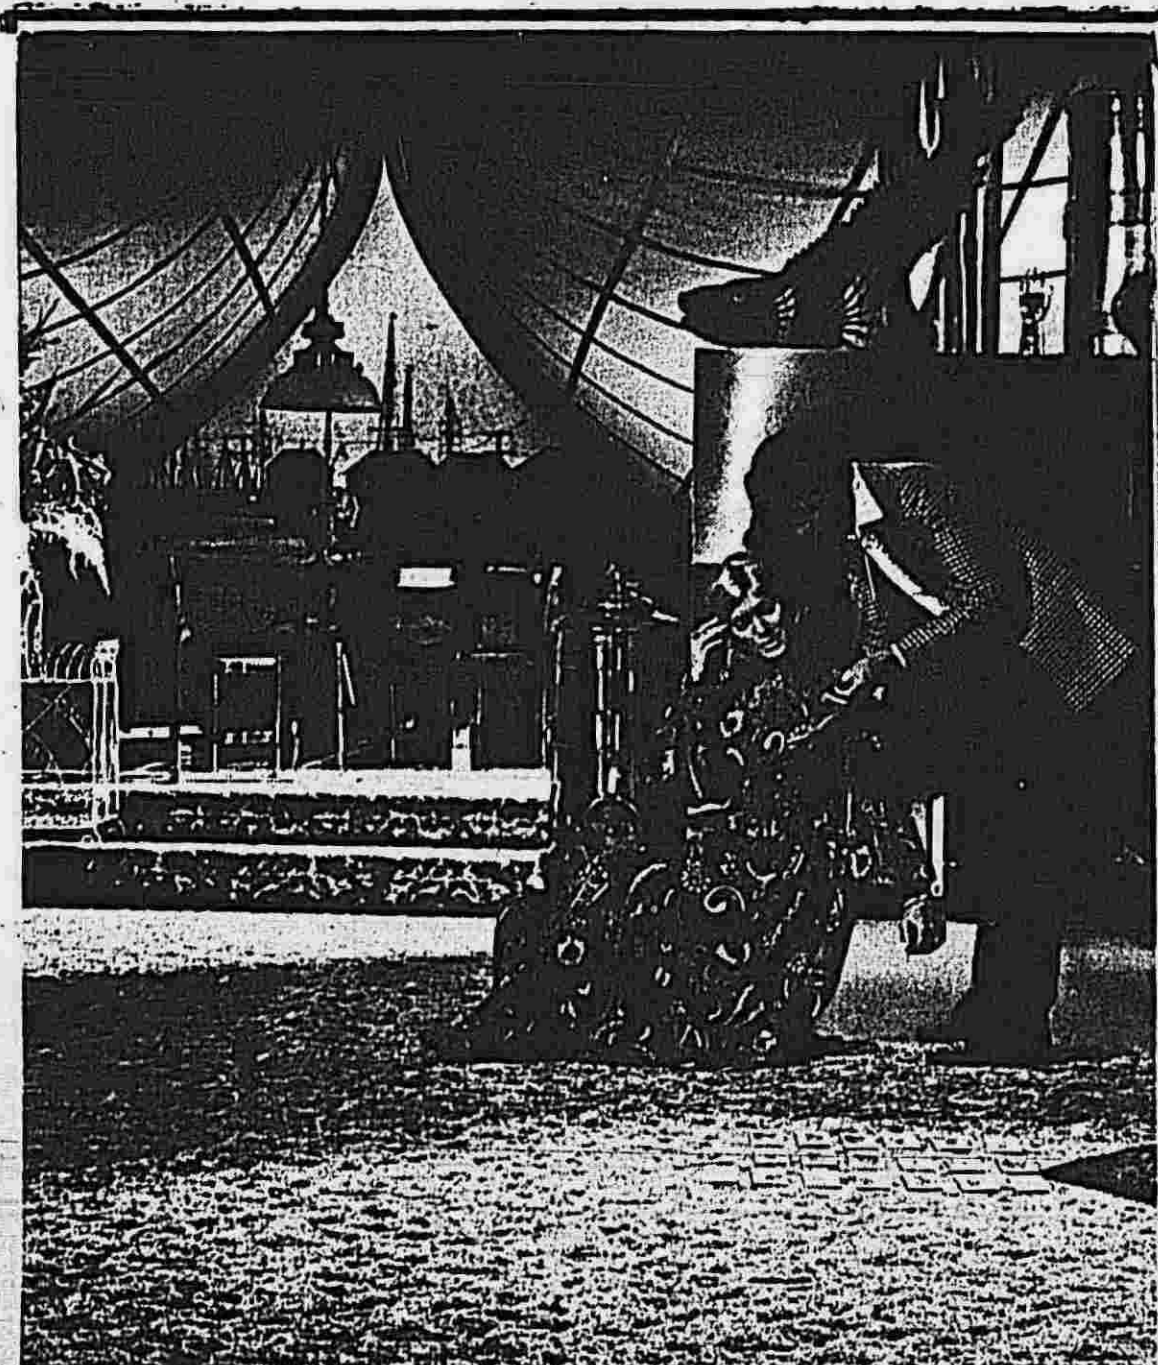

POLLING PLACE: Lake Villa Grade School Grand Avenue, located in the Village of Lake Villa, Illinois

VOTING PRECINCT NUMBER 3 shall consist of all that part of Community High School District Number 117, Lake County, Illinois situated within Sections 25, 35, and 36, Township 46 North, Range 10, East of the Third Principal Meridian and all that part of said District situated within Sections 1 and 2 of Township 45 North, Range 10, East of the Third Principal Meridian, Lake County, Illinois:

POLLING PLACE: B. J. Hooper School Sand Lake Road and Beck Road located in the Village of Lindenhurst, Illinois

Voters must vote at the polling place designated for the voting precinct within which they reside.

The polls at said election will be opened at twelve o'clock noon and will be closed at seven o'clock p.m. on said day.

March 22, 1972

A pretty girl, even at age 4 is conscious of correct speech and little Margaret Pickell of Zion, Illinois is enrolled in Speech and Language Therapy at Lake County Easter Seal Therapy Center in Gurnee. Speech Therapist Diane Zimmer in treating and teaching Margaret often has her do "mirror work" because Margaret can then see where and how she should place her tongue to make a correct sound. Efforts such as these will be aided by the "Lily Tag Day" and telethon held this weekend.

The ice cream sundae is said to have originated about 1897 in the Red Cross Pharmacy in Ithaca, N.Y., directly opposite the barroom of the Ithaca Hotel. As the barroom was closed on Sunday, thirsty patrons went to the drug store where a distinctive drink was sold as a sundae.

Volunteers Aid Tag Day

Young people, athletic letter winners, cheerleaders and pom-pom girls from around the county will join in the annual 'Lily Tag Day' for the benefit of the Lake County Easter Seal therapy Center, Saturday March 25 from 10 a.m. to 4 p.m.

Jack Miller, present Waukegan Athletic Chief; Leo Singer, retired Director of Athletics; John Michaelson, Sports Editor, Lakeland Newspapers; and Mrs. Wendall Clark of Waukegan will be the board members of the Lake County Easter Seal Society leading the annual affair when the young people go into the municipalities around the county.

High School students and other interested youth groups have conducted this program over the past few years in the area under the direction of athletic directors in the various high schools.

On Saturday March 25th, the teenagers will be stationed in pairs for two-hour shifts between 10 a.m. and 4 p.m. in the various shopping areas of the communities. They can be easily identified by the VOLUNTEER badges they will wear, and the 'Lily Tag Day' Canisters each will be holding. Headquarters for the operation will be the Gurnee Community Church and the Gurnee Woman's Club members have volunteered to serve refreshments.

This year 'Lily Tag Day' is part of the 1972 Easter Seal Campaign which began March 1, and continues through Easter Sunday, April 2. New in this year's campaign is a nationwide Telethon originating from Las Vegas and being televised in the Chicago Metropolitan Area on WTTW-TV, Channel 11 beginning at 10 p.m. on March 25th and continuing through 6 p.m. on Palm Sunday March 26th. The telethon will feature a parade of stars, including Lake County's Jack Benny, who will be entertaining while making an appeal for pledges to support services for handicapped children and adults. The local Therapy Center is located in Gurnee and provides speech therapy, physical therapy, free equipment loan, referral services and evaluation.

2nd Generation "Musgrave" to Race this Year

Waukegan, Illinois.... "Musgrave" is a well known name in local auto racing circles dating back to 1950 when stock car racing was booming at the then new Waukegan Speedway Park. This year there's a second-generation Musgrave counting the days to the Waukegan opener on April 8th and 9th.

Tom Musgrave is the son of Elmer Musgrave who burned up the area tracks in the '50's and won some prominent USAC races in the '60's. Last year Tom started his rookie year at Waukegan on June 19th and just missed one race during the remainder of the season.

And Elmer is still in racing too, periodically appearing at Waukegan and other area tracks. But it looks like another late start for him this year as his 1967 Ford Fairlane is being rebuilt.

But son Tom "would rather race than eat" and his 1964 Ford has been revamped and is ready for the opening weekend of racing at Waukegan. Last year Tom did well enough to

finish 19th in points after missing the first two months of racing.

Last year Tom ran a 390 cubic inch Ford engine in a basically stock machine; however, for 1972 Tom has his father's 427 cubic inch engine and a racing transmission and rear end for more power. The '390' engine sits in the corner of the garage as a spare.

Hoping to finish high in the points, Tom is planning on making every Saturday and Sunday race at Waukegan. If last season is an indication, every race may show more and more improvement.

The first night Tom qualified last year, he turned in a : 19.04 lap. The second night he was down to : 16.10, :15.87 the next and so on. For each of the first nine nights he raced, he qualified faster than the previous night.

By August Tom was qualifying in the low 15's or high 14's every night with a : 14.91 his best lap of the year. This year should be even quicker.

TEXAS COWGIRLS PLAY SATURDAY
IN PADDOCK LAKE

Have you ever wondered what happened to the freckle faced, pig-tailed girl that could outdribble and outshoot you in high school? Perhaps she met a seven foot plumber and settled down, or maybe she gave in to her fascination and joined a girls basketball team.

On Saturday, March 25th at 8 P.M. you can relive those forgotten days and see a unique sports exhibition, as the Texas Cowgirls take on the Silver Lake Packer Inn team at Central High School in Paddock Lake, Wisconsin.

The Texas Cowgirls are a group of young women who refused to accept the stereotype of sports as the exclusive preserve of men. The team, made up of girls from Texas and the Southwest, is celebrating its 22nd year and

has played over 3,700 games. They have played in some of the nations top stadiums and arenas, including Madison Square Garden, the Cow Palace in San Francisco and the Chicago Stadium.

Their opposition has included such teams as the Green Bay Packers, the Minnesota Vikings, the Major League All-Stars and the Holy Cross football team.

They have been featured in Sports Illustrated, Time, T.V. Guide and other publications and provide an interesting exhibition of basketball, comedy and entertainment.

Tickets are currently available at the Paddock Lake Bank, Silver Lake Bank, Silver Lake Packer Inn and also at the gate.

SPORTS EDITOR

Antioch Sophs Win Tournament

Antioch's Sophomore basketball team completed its season by winning its own tournament. The two tourney wins give the junior Sequoits an overall record of 13 wins and 10 losses. In Conference play the home team finished second behind Warren with a 10-4 record. Antioch had the distinction of being the only team to defeat the league leaders during the 1971-72 campaign. For the 14 league games Antioch averaged 47.1 points per game and opponents averaged 43.6. For the season Antioch shot 40% from the field and 54% from the free throw line.

The following statistics were compiled during the 23 game schedule:

SCORING	
	Points
Larry Smith	319
Mike Gutowski	225
John Janosko	128
Rick Sedar	105
Jim White	94

The Emmons Raiders finished their 16 games with a 13-3 mark for both squads. They strolled to a Big Six Conference title with a 10-0 record, this, combined with 10 "B" team victories gave the Raiders a 63 game winning streak in conference games.

In the last game of the season, "the best basketball team ever at Emmons" (Mike Mitchell, coach), the Raiders "A" squad went all out and scored a shocking 102 points. Everyone went wild when Bob Dubek made a free throw for the 100th tally.

In conference play Jon Bodin led the Raiders with 159 points and a 15.9 average. In rebounding Jeff Eder led with 138. Conference play produced a team total of 68.97 points per game average.

Statistics for the Raiders vs. all of their opponents showed Jon Bodin again leading in

points and averages with 228 and 14.4 respectively. Jeff Eder also upped his rebound total to 213. The Emmons Raiders tallied 887 total points in all of their games for a 55.44 average. The Raiders shot 37% from the field for the season with 387 field goals per 1052 shots taken.

The Raiders had a balanced scoring attack with the following boys contributing:

games	pts	avg.
16 Jon Bodin	228	14.40
16 Jeff Eder	146	9.13
16 Bob Dubek	102	6.10
16 J Christiansen	87	5.44
16 Paul Petty	84	5.25
14 Dennis Varney	49	3.50
14 Scott Maras	48	3.44
14 Tom Grego	46	3.32
16 Ken Cash	54	3.29
14 D Lagerstrom	29	2.07
4 Jerry Schmidt	4	1.00
14 Doug Wyatt	10	0.71

The team voted the following team honors -

Most Valuable Player - Larry Smith

Team Captain - Mike Gutowski

Most Improved Player - Jim White

The 1971-72 Sophomore

team also included Bob Bailey, Floyd Davis, Chuck Hall, Ken Kane, Don Long, Vic McGuire, Tim O'Neill and Tom Warner. The managers were Doug Lindom and Ken Cichon. Coach Norm Hahn felt all of these players contributed to the success of the team and that all have the potential to keep the Antioch varsity squad on the winning path.

HEED RULES FOR

SAFE KITE FLYING

Springtime's identified flying object - the kite - may appear harmless enough but it can be dangerous if a few simple rules of caution are not heeded.

Commonwealth Edison, in a message on kite-flying safety, notes that hazards of the sport have been known to cause serious injury. B.T. Davis, Edison District Manager in this locality, said the following rules can help assure a safe kite season.

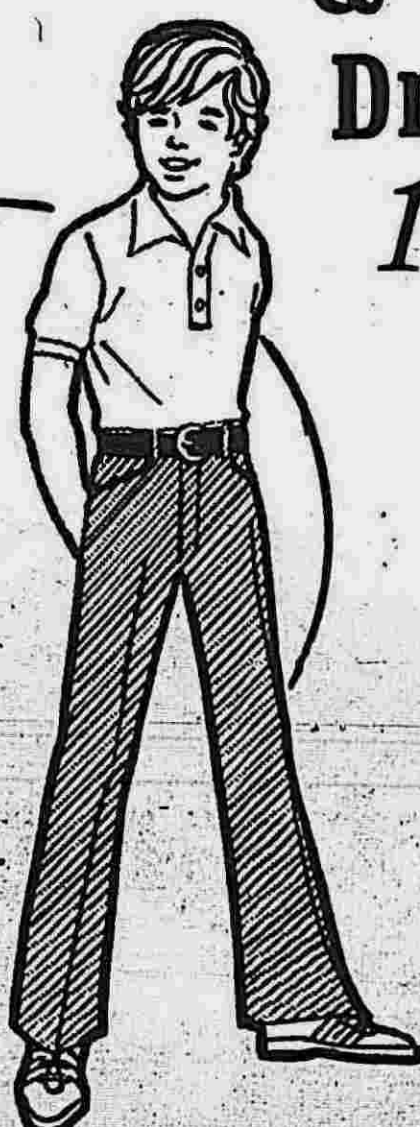

1. Always use dry string, wood and paper in a kite - not wire or metal. Metallic fibers, tinsel or wire conduct electricity and should not be brought in contact with power lines.

2. Open spaces away from power lines, television aerials, airports, streets and highways are the only safe places to fly kites.

3. Never fly a kite in the rain. Wet string can also conduct electricity.

4. A kite should not be flown when the wind is freakish or changeable.

5. If a kite becomes snagged in a power line or high tree, leave it. Do not risk injury by climbing poles, towers or trees to retrieve it.

THE ANTIOCH NEWS

UPPER GRADE SCHOOL WINS TOURNEY

Antioch Upper Grade School soundly defeated Woodland Jr. High 57 to 43 in the championship game of St. Peter's Basketball Tournament. Salem of Wisconsin beat St. Joseph of Wheeling 52 to 50 to win third place.

In the championship game Woodland jumped out to an early lead, but Antioch battled back to go ahead 26 to 25 at the half on a long desperation shot by Dave DeBoer at the buzzer.

The second half was all Antioch as they out-scored Woodland 30 to 17 and won going away. Mitch Witt led the winners with 20 points as George Ferguson and Scott Kimball did an outstanding job of helping Antioch out-rebound a taller Woodland team.

Keith Surroz led Woodland with 15 points.

Antioch reached the finals by beating Santa Maria of Mundelien 76 to 38 and then defeating a tough St. Joe of Wheeling team 59 to 54.

Woodland reached the finals by beating St. Joe of Round Lake 63 to 35 and Salem 51 to 44.

In the third place game Salem defeated St. Joe of Wheeling in a close, hard fought game. Dale Lameer led Salem with 26 points and John Muno scored 20 for the losers. Salem reached the third place game by defeating Holy Rosary 84 to 38 and St. Peter 72 to 48 before losing to Woodland.

St. Joe earned the right to play for third place by beating Lance Jr. High 57 to 37, then dropping a close decision to Antioch before beating St. Peter 51 to 40.

An All-tournament team was selected by the coaches. The players selected were:

Nick Haydock (Woodland)
Tim Shephard (St. Peter)
Dale Lameer (Salem)
Gary Mudry (St. Joe of Wheeling)

John Muno (St. Joe of Wheeling)
Mitch Witt (Antioch)
Scott Kimball (Antioch)

FIRST ROUND SCORES:

St. Peter 51, Spring Grove 33

St. Joe of Wheeling 57, Lance Jr. High of Kenosha 37

D. Francesca To Speak at Athletic Banquet

The annual Athletic Banquet is being sponsored by the Antioch Lions Club on Monday March 27, 1972. The banquet will be in the high school cafeteria at 7 p.m. The athletes are invited as honored guests of the club for their efforts in the high school athletic program. The athletes are encouraged to bring their fathers or an adult guest. Fathers or invited adults are expected to purchase tickets at the door at a cost of \$3.00.

The Club has contacted Mr. Vince DeFrancesca, Athletic Director and Head Football Coach at Carroll College, as guest speaker. Vince is an interesting personality with a wide range of experience as an Administrator, Coach, and Athlete.

Mr. DiFrancesca has been head football coach and Athletic Director at Carroll College since 1959. He played guard under Lynn Waldorf at

Northwestern and was captain of the 1946 team. Vince was a member of the 47 College All-Stars, the East Team in the East-West Game. After graduating from Northwestern he had experience in high school and junior college coaching. He was head football and swimming coach at Western Illinois University, 1949-53; and head football coach at Iowa State University 1954-57. His teams at Western Illinois compiled a record of 38-7-1 with 1 Championship and 4 second-place finishes. Mr. DiFrancesca's over-all football coaching record is 106-69-7. Coach and Mrs. DiFrancesca are the parents of three children, Janet, Charles, and John.

The graduating senior athletes will be given an individual award by the Lions Club. The outstanding athlete in each sport will, also, be awarded by President Gus Costoff.

BASEBALL MEETING

There will be a baseball meeting at Furlans Dug Out Inn on Thursday, March 23, at 7:30 p.m. All teams planning to play this coming season please plan to attend.

HAVE YOU put your message on the Message Board? DO SO TODAY!

While it's too cold for strong arms on the outside, these Antioch High School pitching hopefuls limber up their pitching arms inside the gym for the coming season. (Staff Photo)

Jesse Vail Named Rifles Coach

Jesse Vail has been named the new head coach of the Lake County Rifles Professional Football Team. Vail will become the Rifles' fourth chief mentor as he succeeds Jerry Sandberg.

Vail is a veteran coach in both the college and professional ranks. A De Pauw University graduate, he has coached at North Dakota State, North Central College and Culver-Stockton College.

His most recent assignment has been with the Joliet Chargers. Vail recorded a 49-9 won and lost record with Joliet. The Chargers were members of the Pro-Football League of America and the Midwest Professional League. Under Vail's tutelage they were league champions in 1965-67-70.

Vail has selected one member of last year's Rifle coaching staff to serve as an assistant for 1972. Remaining with the Lake Countians will be defensive backfield coach Ken Kratz. Vail has pointed out that all other positions will be filled in the immediate future.

The Rifle administration has indicated they named Vail as a

successor to Sandberg in quest of experience. Sandberg was a last hour selection in 1971. Despite the fact he had only one weeks preparation prior to opening camp, he lead the Rifles to a tie for the Southern Division title. His team was unbeaten at home but had difficulties on the road. Sandberg was notified of the coaching change and has indicated he is interested in returning to the Rifles as a receiver. He lead the Rifles in scoring at that position in 1970.

The Rifles are in the midst of their annual recruiting drive and any former college or pro-player interested in trying out with the Central States League Club may do so by calling the Rifle office in Libertyville at 362-8050.

Coach Vail will be directing the Lake County team into its eighth season, in the past seven years they have won four division titles, tied for another, copped two league championships and have never finished lower than second place.

Vail is a Joliet resident, married with five children.

Thaw Brings Out Spring Athletes

As the spring sun warms the frozen earth and removes all signs of winter's presence an odd sort of animal tends to appear on the village's outskirts. Running in perspiration soaked sweat clothes, bundled against the raw March winds, the figure gives the appearance of a hooded church type, but in reality is one of many would be spring athletes getting in shape for what he hopes will be a season of team victory and personal achievement.

This spring, as in countless past, Antioch High School Athletics will field teams in baseball, track and golf. Coaches Seeman, Sandberg and Nelson will begin their respective seasons on April 1st, 7th and 10th.

A large group of athletes have already come out, hoping to survive the extensive conditioning, grueling practices and cuts. During the next two weeks lineups, rosters and the fate of many young men will be decided.

While these sports do not have the traditional fan appeal of standbys like basketball and football, the team members do expend just as much effort, anxiety and time to represent the school and so deserve recognition and attendance.

In the ensuing weeks we will spotlight each of the teams individually giving a short analysis of roster, team strengths and weaknesses, predictions and hopes in addition to covering the initial contests.

When "Proud Years" Crown A Lifetime Work

A Man Should Have His Portrait Made!

A man entering his Golden Age is something marvelous to see. Never before has he looked so distinguished or fulfilled. Even the most active man looks somehow relaxed and poised. He knows where he's been and where he's going, and experience leaves him unafraid.

These are his proud years, the apex of existence. Certainly, the most important time for a fine professional portrait and without it, future generations can never really know this man at all.

Are you (or someone you love) entering the proud years of life? Make arrangements now—while there's still time—for this important portrait!

Hastings Holds First Annual Hockey League Banquet

Hastings YMCA director Hank Bessler has announced that the Lake Villa Camp will hold their first annual Hockey League Banquet on Friday, March 24th at the Camp starting at 8 P.M.

The program will include Blackhawk film of the 1971 Stanley Cup Playoffs, presentation of trophies for team champions and outstanding players, plus commemorative awards for all the participants.

Bessler noted that this year's initial venture into an instructional league was an unqualified success and

indicated that because of the great interest it would almost certainly be expanded next year.

Prior to the banquet, the Camp held its iceless division league playoffs to break ties and decide the four entrants for the cup finals. The Canadiens, who led the league from the beginning earned top billing as they broke a tie with the Red Wings beating them 8-6.

On March 19th the Y held its version of the Stanley Cup Playoffs and this time the Red Wings were the victors, via an 8-4 pasting of the Canadiens.

HASTINGS YMCA CAMP HOCKEY LEAGUE

FINAL STANDINGS AFTER PLAYOFFS

Week of March 12

LEAGUE PLAYOFFS - MARCH 12

Canadiens 8 - Red Wings 6
Black Hawks 7 - Maple Leafs 6

SEQUOIT SMOKE Signals

The campaign of the Antioch students to insure the passage of the high school referendum has moved into high gear as the measure will be voted on this weekend. Kids are signing up to be babysitters and chauffeurs for the townspeople who need these services if they are to vote. The passage of the referendum is very important to most of the students so they are working hard for it. Some students will be campaigning door to door so if one comes to your door, please listen. Speaking of voting, a few kids at the school had their first experience with it Tuesday in the primary election. MRS. STERBENZ was kind enough to make a video tape showing voting procedure which was shown in all the government classes. The school has really spent a lot of time and effort to make sure all the kids of voting age are prepared for it!

Congratulations, to all the new cheerleaders! The 1972-73 Varsity Wrestling Cheerleaders are: Capt. MARY JO PARPAN, GAIL RACINE, SHERI VANCE, CATHY

HILL, KARENE HART, SANDY WIEGERT, and mascot CONNIE WIECZOREK.

The 1972-73 Varsity

Basketball Cheerleaders are: ROBIN ELLIS, TAFFY ENGLEHARDT, RITA HALEY, CAROL WELLS, KATHY TOFT, and SHARON HALL.

The STAGE BAND and the COMBO competed in a Jazz Festival at Mundelein High School, Saturday. There was a total of twenty two different schools involved! A concert was given Saturday night by the top four bands in competition and a guest jazz band from Northern Illinois University also participated. Jazz-lovers had a chance to hear some really good bands.

The Choir members were very happy to see MR. BROOKE in school again Monday. He had been out all last week with chest pains. Welcome Back!

The FRENCH III & IV classes took a trip to Rosary College, Monday night to see a production of Le Barbier de Seville put on by the students there. The French classes are reading this play in class right now so the trip was very worthwhile.

See you next week.

John Prorise Chosen By Sigma Delta Chi

A Lake Villa sophomore at DePauw University, John Prorise, 40-Cedar, has been chosen for membership in the national journalistic society, Sigma Delta Chi, at DePauw.

Son of Mrs. Amy S. Prorise of Lake Villa, John was one of eight undergraduates initiated into the collegiate chapter of Sigma Delta Chi during recent ceremonies here.

The DePauw chapter of which John has become a member was the first chapter of Sigma Delta Chi in the nation. It was founded by 10 DePauw students in 1909 and has since initiated over 40,000 members.

With over 180 undergraduates and professional chapters in this country and abroad now, the organization selects its members on the basis of interest in a career in print or broadcast journalism as well as campus achievement in newspapering or radio-television work.

The DePauw chapter of Sigma Delta Chi has fostered several of the nation's leading journalists including two editors of The Wall Street Journal, The Chicago Tribune, the publisher of The Indianapolis Star, The Indianapolis News, The Arizona Republic, The Phoenix Gazette, plus several presidents

of the national Sigma Delta Chi organization.

John is a graduate of Antioch High School and is majoring in philosophy at DePauw, a private, co-educational, liberal arts university with 2,300 students.

EDITORS NOTE: The Editor of the Antioch News is a graduate of DePauw University. However, Joseph Rush majored in Music Education while at DePauw.

PETTY OFFICER
THIRD CLASS
JOHN H. WHITTEN

Navy Petty Officer Third Class John H. Whitten, husband of the former Miss Alice M. Scanlan of 1028 Main St., Antioch, Illinois arrived in Beppu, Japan, on Sat. March 11th aboard the amphibious transport USS Duluth, homeported at San Diego and now operating as a unit of our Seventh Fleet in the Western Pacific.

He and more than 900 other Navymen and Marines aboard have visited the Philippines, Taiwan, Hong Kong and Singapore during the Duluth's deployment.

Pictured above are employees of the New Continental Realty in Lake Villa. The group hosted an open house on Sunday, March 19th, to acquaint the public with their new location. They are ("l to r") Dorothy McCabe, Manager; Lorraine Kehder, Jacqueline Skall, Mary LaPalm, Jennie Skrinkus, Sally Whitney and Shirley Bunker. Seated is Ray Gardner. (Staff Photo)

HOME-TOWN NEWS

KATHLEEN BOSTON

CHOSEN

BY PHI KAPPA PHI

Approximately 145 New Mexico State University students were initiated into Phi Kappa Phi, national interdisciplinary honor society at the annual banquet recently.

New members were selected for the all-campus honorary from among undergraduate and graduate students, faculty and alumni. Less than one per cent of the student body is selected annually for membership on the recommendation of department heads. Not more than 10 per cent of those eligible are chosen.

To be chosen, an undergraduate student must be enrolled full-time at NMSU. As a junior, he must have a cumulative grade point of 3.6 out of a possible 4.0. As a senior he must have a 3.4. As a graduate student, he must have already earned a grade average of 3.8 for at least 16 hours of course work.

Faculty members are selected at the rate of one per year primarily for their interest in furthering scholarship and for their outstanding accomplishments. Alumni members were chosen on the basis of their academic records as students at NMSU prior to the formation of Phi Kappa Phi on campus. The chapter was founded at NMSU in 1962.

Miss Kathleen K. Boston, daughter of Mr. and Mrs. Albert E. Boston of Antioch

was selected for membership in Phi Kappa Phi. Miss Boston is a senior in biology at the university.

Interact Boys Sponsor Dinner

Last Friday at the Lake Villa Methodist Church, the Interact Club of Antioch presented a dinner from 5:30 to 7:00 p.m.

President, Bob Becvar, introduced Marty Spicer, governor of Interact Dist. 644, from Oaklawn and Mr. Brian Petersen, sponsor of the Oaklawn Interact Club. Also attending the dinner were the members of the Antioch Interact Club, Oaklawn members and Antioch Rotarians and Wives.

District 644 covers approximately the State of

Illinois. It is active during the school year and has about 250 members.

The purpose of this dinner was to associate Antioch's youth with that of other young people, and to receive ideas of money raising projects and entertainment.

The dinner was organized by Mr. Mike Warren, and served by Mrs. Rowley, Mrs. Taylor and Mrs. Rush, mothers of Interact members. The delicious food was donated by mothers of the Antioch Interact members.

PRIVATE 1st CLASS
MICHAEL K. MOFFITT

Army Private First Class Michael K. Moffitt, son of Mr. and Mrs. John M. Moffitt, 1713 E. Fairfield Road, Lindenhurst, Ill., recently completed a week of field training with the 28th Field Artillery's 2nd Battalion at the Seventh Army Major Training Area near Grafenwohr, Germany.

The training tested the unit's efficiency in firing, communications, fire control, survey, and area security.

Pvt. Moffitt is regularly assigned as a Field Artillery's Battery C, near Ansbach.

The private entered the army in June 1971, completed basic training at Ft. Lewis, Wash., and was last stationed at Ft. Ord, California.

When He's Old Enough
To Do A Man's Work

A Man Should Have His Portrait Made!

The first real job! The beginning of a business career—40, 50, perhaps more years of progress, success, disappointments, even failures.

This is the beginning of manhood, when dreams are big, hopes high, beliefs and ideas are black or white. A vitally important time for a fine professional portrait, the first of many milestones only professional portraits can capture.

If you—or someone you love—has just begun the life work of a man, make arrangements now—before it's too late—for this important portrait.

IT'S LATER THAN YOU THINK!
